Dear Mr. Hoover:

I have just read ~~my paper~~ regarding your astonishing statement. I don't know when I've ever had such a jolt. Ironically, I was writing regarding features in a proposed bill to outlaw the communist party as compared to stating that we felt such a law should have some teeth to enable you to get at these traitors in our midst.

In another item there is still a juggle on the possibilities of harmonizing the two ideologies - ours and the Russian. What nonsense! But what sense; there is just as much chance of anything that comes of ~~God's~~ ~~condoning~~ ~~laboratory~~ of which ~~communism~~ is, since it is recognized generally as diametrically opposed to all ~~Christianity~~. Therefore the two ways are irreconcilable, so let's be done with such nonsense. And after all this time, is it not clear to you that Joe Stalin's rule extends to

every country on earth ~~the~~ the communist party which takes its orders directly from Stalin - as the head of the Central Executive party.

He affirmed this fact when he announced the three or four new five year plans, stating that they had not had an election, but that they had had a plebiscite to ratify communist party rule. Is there any reason why Mr. Stalin should have any chance to rule in America - as he is, and every one knows we are living under his dictatorship now? How much longer does ^{he} ~~we~~ What do you propose to do about the impending world wide strikes Mr. Hoover? We have one right now which is threatening our communications? Don't you know that strikes are only revolutionary maneuvers? What guarantee have we that this may not be the beginning of that too horrible to contemplate probability of the world wide strike precipitating revolution? Their plan you know is to get astride our communications first, then when they order labor out, they can keep them put with the terrorists they have here. So, how do you propose to (How can we defend ourselves?)

to protect the American people?

Do you realize that we are living in mortal fear every day now?

Then how do you imagine we can feel when the very people we are depending upon to do something to protect us, get up with such countries to defeat our every hope? Ye gods! I suppose the "Moscow darlings" might supersede all those of the American people, and by one subterfuge or another we are going to be delivered into Joe Stalin's hands to be murdered and enslaved like the poor, miserable people of Europe and his own Russia.

You stated in your speech before the veterans in San Francisco that "Communism has no place in America!" when did you change your mind, Mr. Hoover? You are far too intelligent to suppose that it would be possible to get rid of it without outlawing the party. Communism is outlawed.

Aren't you aware of the agreement signed by M. Litvinoff and delivered to President Roosevelt on Nov. 16, 1933 that alone gives us every reason to outlaw it now, and it is my conviction that every other thing should (The whole communist plot is fideo-fornist inspired)

should be held in abeyance until we get a law with good teeth to get these traitors behind bars.

When I was in Washington recently I learned that our State Department was hiring planes to bring in (so called refugees from Patricia) from Tel Aviv to Miami and other points. I managed to obtain photostatic copies of the records, so it is not hearsay - I have them in our office right here.

How do we know that these are not trained revolutionists - part of Joe Stalin's terrorist army? I do not doubt it in the least. Knowing the pressure upon Mr. Truman by these Zionist conspirators (the whole plot is Jewish) I examined the records and find most of these names are Jewish.

This nation is in mortal danger. Mr. Hoover, and outlawing the Communist party is the only hope we have - so please retract your statements, and exert your efforts to the achievement of this goal instead.

Thanking you in behalf of troubled Americans

FLASH!

Press held up to get—even on the cover—this item which so vitally concerns every individual American, from the Georgia Tribune, a fearless, undaunted, independent publication, whose intrepid editor is a staunch Patrick Henry.

This organization has had the information concerning these plates for months, and it was duly reported to authorities in Washington.

It is gratifying to note that at least something is being done—something must be done soon to rescue the atom bomb from control of the Zionist-Sanhedrinists, too.

TERRIBLE SCANDAL—BLACK MARKS ON OFFICIALS— WHO ALLOWED RUSSIA "MONEY PLATES" RIGHTS

TREASURY DEPARTMENT "GIVES" PLATES TO STALIN AND \$900,000,000 WORTH OF
PRINTING PRESS MONEY MADE BY RUSSIA IS USED TO SIPHON
OFF AMERICAN GOODS IN GERMANY!

America today is breathless from shock—and holding its collective head in astonishment—as Sen. Styles Bridges reveals further details of the diabolical betrayal of the American public and its government by officials or ex-officials of the Treasury Department. According to the Senator from New Hampshire, the closely guarded plates, used by the Treasury for making U. S. currency, have been given to the godless Russians, who are secretly making war on us, so that the Communist might print for themselves all the American dollars they might need!

These plates were handed over secretly without the knowledge or consent of the people of this country. Immediately, then, Russia began printing our money, with our plates and secrets, on a production basis. This happened possibly two years ago; so by this time they could have 100 billion dollars of American money, that would pass anywhere, ready for use the world over. Now they need no armed revolution in the United States; they can buy the country with cash on the barrel head. And they may secretly be doing it as many of our industries and property holdings are slipping into strange hands these days.

The first billion dollars, however, went into Germany and the occupied zones. While we were still sending lend-lease to Russia, while the Reds were absorbing all the goods of UNNRA and all the production from captive countries, the Stalinists took this counterfeit money and went into Germany and "bought" \$900,000,000 worth of U. S. Supplies that had been shipped in to feed and aid the Germans. This, of course, brought on a great shortage and resulted in the recent food crisis in the American and British zones. But this was only part of the ghastly and traitorous affair. When Germany had been syphoned dry, and the crisis arose, Red agents were rushed in to create public disturbances against Uncle Sappo and John Bull, rendering their efforts at peace and reconstruction more futile. Talk about gobledogookery—here is a fine example of it.

In America is it a grave crime to make and pass spurious U. S. currency. Our jails are full of such criminals. But apparently it is all right for an international bank robber, like Stalin, and his gangsters to do it and scheme against the liberty of Christian America at the same time.

Who gave away these plates is not precisely known. Rumors for months, have insisted that Henry Morgenthau, Jr., was the man. And some such statement has appeared in small notices in the press, it is said. But the fact remains that the work was done by a NEW DEALER—of the same terrible "deal" that took us into war and invented the scheme of lend-lease and give-away everything Americans have, including their homes and liberty.

If the American people do not turn and vote every scheming radical pinko out of Washington—completely clean these astonishing people out of the District of Columbia and government, the nation is absolutely done for. Every hour brings forth some new and startling scandal—more hideous than the one before—making the acts of Benedict Arnold seem decent and patriotic in comparison.

How much longer will we have to wait? For several years this writer has been warning Americans: we have pointed out the dangers, and now they are well known, but our efforts to curb some of this foolhearted New Dealism works awfully slow. It is time for America to not only wake up, but get up, and get after this Godless gang!

REFERENCE: Atlanta letter to Bureau dated 7-23-47.

DETAILS: This inquiry was based on a letter from C. ALEX SEARS, Jr., Attorney, Murrah Building, Columbus, Georgia, dated July 19, 1947. Mr. SEARS enclosed a pamphlet entitled, "The Problem of the Color Question," which was printed by the National Patrick Henry Organization with headquarters at Columbus, Georgia. Mr. SEARS said that Mrs. JENKINS, who is the guiding light, is, in his opinion, "a crackpot". He said that she approached him and numerous other lawyers in an attempt to get free legal services for her organization. He stated that he did not take the organization at all seriously but thought that the Bureau might want its name in the Bureau's files. The pamphlet was sent to the Bureau with referenced letter.

AT COLUMBUS, GEORGIA:

PAULINE M. LAMAR, Attorney, First National Bank Building, and Judge of Juvenile Court, advised that she had known Mrs. W. E. JENKINS for at least fifteen years. It is noted that Judge LAMAR had been mentioned by several

people as possibly belonging to the National Patrick Henry Organization and one person stated that she was supposed to be on the Board of Directors. Judge LAMAR stated positively that she does not belong to the National Patrick Henry Organization and she is not a member of the Board of Officers or Directors. She said that Mrs. JENKINS, who sometimes goes under the name of Mrs. JESSIE W. JENKINS had always been known as a peculiar and very eccentric woman. Mrs. JENKINS had separated from her husband many years ago because the two could not get along. She has a son named [redacted] and a fine young fellow according to Judge LAMAR. He is a World War II Veteran and is now living somewhere in Florida.

b7C

Judge LAMAR provided the following additional information. Mrs. JENKINS was once in the fur repairing business and is known to own a little bit of property in Columbus, Georgia. She owns her home at 1001 Oakview Avenue, Columbus, Georgia and once owned a farm in Harris County, Georgia, although she has sold it.

In the Fall of 1946, Mrs. JENKINS took a notion that she wanted to organize the National Patrick Henry Organization to fight Communism. In her efforts to organize this association she solicited many prominent citizens in Columbus, Georgia, as well as attorneys and merchants of the city. Since she was known throughout Columbus, Georgia as a very eccentric and peculiar person, she was put aside by the various persons whom she contacted. They gave various excuses in an effort to avoid hurting her feelings. The attorneys contacted by her declined to furnish free legal service and declined to join the organization. The merchants, when contacted by Mrs. JENKINS, gave her the excuse that they had to remain neutral in view of the fact they serve the public in Columbus, Georgia. However, in several instances, in order to get rid of her, they contributed \$5.00 or \$10.00 to defray printing expenses which she said she would have. At the very beginning, Mrs. JENKINS started calling on Judge LAMAR for advice. She would bring her plans to Judge LAMAR and ask for assistance. At various times she would bring pamphlets and leaflets for Judge LAMAR to read. However, Judge LAMAR would put this aside and eventually lose them. These pamphlets were at first anti-Communist. However, they began to show Mrs. JENKINS was becoming anti-Jewish, anti-Masonic and anti-Negro in her feelings. Judge LAMAR would not give Mrs. JENKINS any assistance because Mrs. JENKINS was well known to her as being eccentric and besides, her proposed organization was against too many things. Judge LAMAR finally told Mrs. JENKINS pointedly that she would have nothing to do with the organization.

Atlanta, 105-81

Mrs. JENKINS has been in various bits of trouble in Columbus, Georgia. She has had trouble with her neighbors and with the various people who rented apartments in her home. She is known to have locked one tenant in her apartment. On another occasion, Attorney E. M. BRITTON of Columbus, Georgia, had a contract calling for an option on some of Mrs. JENKINS' real estate. Mrs. JENKINS became angered while in Mr. BRITTON's office, grabbed the contract and ate it. She has had some connection with the League of Women Voters in Columbus, Georgia. Judge LAMAR said that she considered Mrs. JENKINS harmless but that she had to admit that she was very energetic and active to the point of being extremely worrisome. Judge LAMAR said that the National Patrick Henry Organization was still local in nature although Mrs. JENKINS was striving to make it a national organization.

O. D. SMITH, Attorney, Columbus Bank & Trust Company Building, who was reported to be the attorney for Mrs. JENKINS and who was said to be cognizant of every move made by her in her attempt to organize the National Patrick Henry Organization stated that he had known Mrs. JENKINS for about three years. He said that during this entire time he had found her to be a very peculiar and eccentric woman. He said so far as he knew, she is a widow. Mr. SMITH stated that he is not representing Mrs. JENKINS so far as the National Patrick Henry Organization is concerned and he is not a member of that organization. He said that she came to him about a year ago saying that she wanted to start an organization to fight Communism. She pointed out to him that groups could get attention from Congress where individuals could not. She brought in various pamphlets for him to read. However, they turned out to be anti-Negro, anti-Jewish, anti-Masonic as well as anti-Communist, consequently he told Mrs. JENKINS that she was, "anti too many things" so he did not want to have anything to do with the organization. He said that several weeks ago she left a proposed charter in his office, however, he did not attempt to do anything with it and returned it to her. Mr. SMITH explained that he represented Mrs. JENKINS in an OPA case in Federal Court and had done so against his will since she had no valid defense. Mr. SMITH said he understood that Judge PAULINE LAMAR of Juvenile Court was supposed to be a member of the organization but he was sure that she had not paid any attention to Mrs. JENKINS. He said that the organization had no officers and no framework. He said that meetings were scheduled occasionally but so far as he knew only a very few people attended. He said that contrary

Atlanta, 105-81

to its name the National Patrick Henry Organization is not national in scope and is only local although Mrs. JENKINS is ambitious for it. Mr. SMITH assured the writer that Mrs. JENKINS is harmless and that she was considered generally in Columbus as a peculiar and eccentric old lady.

b7C

[redacted] Columbus Police Department, advised that he had known Mrs. JENKINS over a period of several years. He referred to her "as a crackpot". He said that on various occasions she had called the Police Department to report minor matters which she insisted be given prompt attention. He said she was very arbitrary in her demands and that the police department generally knew her as a very peculiar person. He said that she liked publicity and he felt that her efforts to organize the National Patrick Henry Organization were simply to obtain publicity.

b7C

[redacted] Columbus, Georgia, gave similar information. He said that Mrs. JENKINS was harmless and that there was nothing to her organization. He said that [redacted] she had called him numerous times on petty complaints. He said that during the War she was very spy conscious and was always anti-Communist in her leanings.

b7C

[redacted] stated he has known Mrs. JENKINS for twelve or thirteen years and she had been a widow all that time. He said she owned her home and a little bit of property. He said that she carried a small account in the First National Bank. [redacted] said that Mrs. JENKINS is considered a little "cracked". He said that she was definitely eccentric and that no one considered her seriously. [redacted] stated that Mrs. JENKINS had no account at the bank under the name of National Patrick Henry Organization.

said corporation shall be in the City of Columbus and County of Muscogee, Georgia, but petitioners desire the right to establish branch offices wherever their judgment dictates.

2. The said corporation is not organized for pecuniary gain and will have no capital stock. It will be supported by gifts, bequests, devises and contributions from its members, friends and all other true Americans who desire to aid in maintaining our Federal Republic upon the basis of the Declaration of Independence and Constitution of the United States as conceived, ordained and established by our illustrious forefathers.
3. The objects of this corporation shall be patriotic, civic, educational, Christian and charitable.
4. Some of the specific purposes of this corporation are as follows:
 - (a) To seek to co-ordinate the activities of all existing reputable civic, educational and Christian groups for the objectives herein stated.
 - (b) To restore and maintain the individual liberty of every true and loyal citizen of the United States, with full and unequivocal recognition of the fact that all true Americans are endowed by their Creator with certain inalienable rights, among which are life, liberty and the pursuit of happiness. To stand for the dignity and liberty of man on said basis, first, last and always. To stress the fact that our government is based upon American law rather than persons and that the observance of and obedience to all constitutional laws is essential to the preservation to our Republic. To inform the people of the fact that many men who have occupied and are now occupying the highest positions in the three co-ordinate branches of our State and Federal governments, especially the latter, have sought and are seeking to destroy our Federal and State Constitutions, the laws pursuant thereto and the free institutions based thereon, and to inaugurate instead a "New Deal" despotism and planned economy thoroughly antagonistic to the principles of the Declaration of Independence and our said Constitutions.
 - (c) To vigorously oppose the usurpation and subjugation of our individual and national liberty by the present 'New Deal' despotism or by any other group or person.

Atlanta, 105-81

(d) To deplore and denounce the un-Constitutional grants of loans or gifts of billions of dollars worth of our national materials, supplies and resources to foreign nations and groups under the pretext of opposing Communism. To vigorously oppose any loan or gift or grant of any amount or value by our government to any foreign nation or people, because there is no legal authority therefor in the U. S. Constitution, and all our public officials, from the highest to the lowest, are bound to uphold, preserve, protect and defend that document, even to the extent of death, if necessary.

(e) To endeavor to bring to the attention of every American in a clear, courageous and patriotic manner the serious and imminent danger to our individual and national liberty, security, peace and happiness, urging immediate united action by all true Americans upon the principles of the Declaration of Independence, the Federal Constitution, and Patrick Henry's immortal speech for liberty, to save this Republic from a major catastrophe. To show that said united action by a great majority of our people under the guidance of Almighty God is the only power that can save our country from destruction or permanent and complete enslavement.

(f) To seek to impress upon every American citizen his or her duty to actively aid in this fight to save our Republic and thereby preserve our priceless heritage. To urge all our citizens to refuse to temporize or compromise on the principles of the Declaration of Independence and the Constitution upon which our Nation is based, and cite for emulation the great example of the inspiring, eloquent and unsurpassed patriotism of Patrick Henry.

(g) To oppose and expose Communism as not merely a political party but as a world-wide organization of anarchists and trouble makers who especially hate America and the principles of individual liberty, security, peace and justice upon which our government and institutions are based, and which organization has deliberately placed traitors to the United States in powerful key as well as subordinate positions in every branch of our government, in labor unions, churches, schools, colleges, universities, clubs, civic groups, fraternities, newspapers, the radio, motion pictures, and practically every other activity in our country to carry on their nefarious and treasonable work.

Atlanta, 105-81

(h) To oppose and expose the avowed and advertised aims of Communists to overthrow our constitutional government by sabotage, paralyzing strikes, creating racial and class strife, violence, force, murder, anarchy, riot and lawlessness generally, and the establishment of a United States of 'Soviet' America instead.

(i) To serve as a concentrated, efficient, consistent, continuous, vigilant and able patriotic American organization on the principles herein set forth.

(j) To seek necessary reforms in all our schools, churches and other institutions in keeping with the letter and spirit of the principles of the Declaration of the United States, the U. S. Constitution, and the famous liberty speech of Patrick Henry.

(k) To seek necessary reforms in all branches of the armed and civil services, and to remove from said services all traitors to the Constitution of our country. To oppose and expose all labor unions affiliated with or subordinated to in any way International Communism or any other organization antagonistic to the Constitution of the United States. To vigorously oppose and expose the un-Constitutional delegation by the government of the United States of any person or department thereof of any governmental authority or power to any labor union or other organization over the life, liberty or property of any American citizen. To vigorously prosecute and render all legal aid in removing from the public service any government official, from the highest to the lowest, who does or seeks to do any of said un-Constitutional acts.

(l) To seek in a legal and Constitutional manner to abolish the 14th and 15th Amendments to the U. S. Constitution, which were obtained by force, duress, violence and other un-Constitutional methods and which are contrary to the principles of the Declaration of Independence and the U. S. Constitution as conceived and ordained by the founders of our Constitutional Republic.

(m) To aid in every legal and proper manner in having declared un-Constitutional and illegal, as required by our Federal Constitution and valid laws pursuant thereto, the affiliation of the United States of America with and subordination to the so-called United Nations, and the grants of privileges, immunities, money, material, and other property and rights to said so-called Organization. To oppose and expose every effort on the part of any and all persons granting any portion of the sovereignty of

Atlanta, 105-81

this Nation to any other body or power. To have deported from this country all persons illegally here.

(n) To urge and aid in every legal and proper proceedings and the vigorous prosecution thereof, to recover money, materials, supplies and property of every kind and nature illegally and un-Constitutionally granted by the Government of the United States or any person, group or department of said government, to any and all foreign nations and groups.

(o) To establish rules and regulations and by-laws for the purpose of carrying on the work of this corporation.

5. Petitioners desire the right to sue and be sued, to plead and be impleaded, to have and use a common seal and to do any and all other things they deem advisable for the conduct of the business of the corporation and the accomplishment of the objectives set forth in this petition, including the right to buy, acquire, receive, accept, hold and sell real estate and personal property, suitable for the purposes of the corporation, and to execute notes and bonds as evidences of indebtedness incurred, or which may be incurred, in the conduct of the affairs of the corporation, and also to secure the same by mortgage, security deed, or other form of lien, under existing or future laws.
6. Petitioners desire corporate authority to enforce good order, to create titles, positions and offices it deems advisable and proper for the purpose of promoting the general design and objectives of this corporation. Dear Madam:

Your letter of January 16, 1948, with enclosure, has been received. In response to your inquiry, because of the heavy pressure of my official schedule it will be impossible for me to indicate an acceptance to your invitation to meet with the conference of The National Patrick Henry Organization next month.

Very truly yours,

NOTE: File 105-10101 reflects that in the fall of 1946 Mrs. William E. Jenkins, aka Mrs. W. E. Jenkins of Columbus, Georgia, started to organize The National Patrick Henry Organization to fight Communism, solicited prominent citizens, attorneys and merchants of Columbus and was put aside as eccentric. Her activities have since reflected that Mrs. Jenkins is anti-Jewish, anti-Masonic and anti-Negro, as well as anti-Communist. Her organization according to a report of Special Agent [redacted] Atlanta, Georgia, 9-27-47, is local in nature, has no officers and has meetings attended by only a few individuals. Mrs. Jenkins has always been known in Columbus as peculiar and eccentric. As she has not requested that her enclosure be returned, it is being retained in the event that future activities may be of interest to this Bureau. Correspondence from Mrs. Jenkins pre-1947 is contained in File 62-80204.

I in the book - "America Reborn", that I am trying to get in the Press this week, I will give the title of some of the chapters: Brief Sketch of Jewish History; The Rise and Fall of Empires; Cause of the Fall of the Roman Empire and Civilization; Democracy a la Bolshevism Since Colonial Day?; The Tainted Philosophers; Thomas Jefferson - The Destroyer - The Color Question; Alexander Hamilton - the Great Architect; Father of Constitutional Republican Government.

The chapter on Rome closes: Patriotism died; enterprise disappeared.

"Democracy" has triumphed - Bolshevism reigned. The Dark Ages followed.

This chapter mirrors our own situation so hold on to your shirt while I suggest: that you begin now to map your strategy to round up every Executive of every Jewish origin, and newspaper, every Communist party and your leader for a simultaneous haul. Do not fail us. This is not pleasant but it is a must - they have our bomb - I understand every Synagogue in New York is loaded with TNT etc.

It is the program of the Zionist Jews to dominate the world, destroy white Christians, confiscate our property.

Georgia Fascists Fight 14th, 15th Amendments

Negroes, Jews, Communists and New Dealers are the officially declared targets of a new mushrooming fascist organization formed in Columbus, Ga. Conducting its

activities in the vicinity of the U.S. Army's vast Fort Benning Infantry School, the organization announced as its major aim elimination of the 14th and 15th amendments of the U. S. Constitution and legislative action to strip Negroes of all civil rights including the right to vote.

Mrs. Jessie W. Jenkins, widow of a Columbus banker, founder and acting secretary of the organization, said it was chartered as a "charitable non-profit organization" and named the "National Patrick Henry Organization, Inc." The charter was issued by Superior Judge T. Hicks Fort in Columbus.

Other incorporators of the anti-democratic group are the Rev. E. G. (Parson Jack) Johnson, editor of the "American Christian Protestant," Marilyn Jenkins of Salt Lake City, Utah, and W. G. Kerchner of Lenhartsville, Pa.

"We disavow the Negro's right to citizenship," declared Jenkins, "remembering that another Noah separated him from the whites and he was banished to the African jungles because of his perverse nature."

Mrs. Jenkins, who also boasts of her membership in the Daughters of the Confederacy, stated she is collecting \$10 annual dues and a \$3 initiation fee from members of the hate group.

The corporation charter expressed underlying opposition to the 14th and 15th amendments of the U. S. Constitution and "Communism."

MEMORANDUM FOR MR. NICHOLS

RE: MRS. JESSIE W. JENKINS
The National Patrick Henry
Organization, Inc.

There is attached a letter from the above captioned individual who apparently is an officer in the above captioned organization. According to the main file on this woman, and according to the letterhead, Mrs. Jenkins and her organization are anti-Jewish, anti-Mason, anti-Negro, as well as, anti-Communist. In view of the nature of Mrs. Jenkins organization and her implicit accusations about Mr. Clark (obviously a reference to the Attorney General), it is recommended that her communication not be acknowledged.

Respectfully,

It has been some time
I wrote you -- that was in the early
before our conference there.

We had mapped a plan of action
that time -- but what seems clear
a man who has proved himself a
or advised against it. He was one
first to suggest the way to go about it
then completely reversed himself.

Because it turned out as it did
sure you must think the letter
I wrote urging you to "be around" was
very silly. But if we had gone ahead
there would have been no doubt been

some fireworks -- Every precaution
had been taken. Every day I get new shock
of the traitorous attitude of some you had
were good as gold -- Why doesn't someone
do something about Mr. Clay?

Communism is Judaism -- Internationalism is Judaism -- Judaism is Bolshevism -- Anarchy. Its promoters
are the Zionists -- Zionists are potential murderers. B'Nai Brith is reputedly their Secret Police. A D L and

 3. Gold always has been and always will be the irresistible power. Handled by expert hands it will always be the most useful lever for those who possess it, and the object of envy of those who do not. With gold you can buy the most rebellious consciences; can fix the rate of all values; can subsidize all State loans, and thereafter hold the states at our mercy.
 4. Already the principle banks and exchanges of the entire world, the credits of all governments are in our hands.
 5. The other great power is the press. By repeating, without cessation, certain ideas — the press succeeds in the end of having them accepted as actualities. The Theatre also renders as analogous services. Everywhere the Press and Theatre obey our orders.
 6. By ceaseless praise of Democratic Rule we shall divide the Christians into political parties; we shall destroy the unity of their Nations; we shall sow discord everywhere. Reduced to impotence, they will bow before the **LAW OF OUR BANK** — always united; always devoted to our cause.
 7. We shall force the Christians into wars by exploiting their pride and their stupidity. They will massacre each other and clear the ground for us to put out our own people into.
 8. The possession of the land has always brought influence and power. In the name of social justice and equality we shall parcel out the great estates; we shall give the fragments to the peasants who covet them with all their power and who will soon be in debt to us by the expense of cultivating them. Our capital will make us their masters. We in turn shall become the great proprietors, and the possession of the land will assure the power to us.
 9. Let us try to replace the circulation of Gold with paper money; our chests will absorb the gold, and we shall regulate the value of the paper which will make us masters of all positions.
 10. We can count among us plenty of orators capable of feigning enthusiasm of persuading mobs. We shall spread them among the people to announce changes which should secure the happiness of the human race. By gold and flattery we shall gain the proletariat which will change itself with annihilating Christian Capitalism. We shall promise the workmen salaries of which they never dared to dream, but we shall also raise the prices of necessities so that our profits will be greater still.
 11. In the manner we shall prepare Revolution which the Christians will make themselves, and of which we shall reap the fruit.
 12. By our mockeries and our attacks upon them we shall make their priests ridiculous then odious, and their religions as ridiculous and as odious as their clergy. Then we shall be masters of their souls. For pious attachment to our own religion, to our own worship, will prove the superiority of our religion, and the superiority of our religion, and the superiority of our souls.
 13. We have always established our own men in important positions. We must endeavor to provide the Gentiles with lawyers and doctors. Lawyers are accoutrements with all interests; doctors once in the house, become confessors and directors of conscience.
 14. But, above all, let us monopolize Education. By this means we spread ideas that are useful to us, and shape the children's brains as suits us.
 15. If one of our people shall unhappily fall into the hands of justice among Christians, we must rush to help him; find as many witnesses as he needs to save him from the Judges, until we become Judges ourselves.
 16. The Monarchs of the Christian world, swollen with ambition and vanity, surround themselves with luxury and with many armies. We shall furnish them with all the money their folly demands, and to keep in leash.
 17. Let us take care not to hinder the marriage of our men with Christian girls, for through them we shall get our feet into the most closely locked doors and circles. If our daughters marry Gentiles they will be no less useful — for the children of Jewish mothers are ours. Let us foster the free love idea, that we may destroy among Christian women attachment to the principles and practices of their religion.
 18. For ages past the sons of Israel, despised and persecuted, have been working to open for us a path to power. They are hitting the mark. They control the economic forces of the accursed Christians; their influence preponderates over politics and over manners.
- At the wished-for hour, fixed in advance, we shall let loose the Revolution, which by ruining all classes of Christianity will definitely enslave the Christians to us. Thus will be accomplished the promise of God made to his people."

The above is an exact copy of the funeral oration by Rabbi Reichorn at the tomb of Grand Rabbi Simeon-ben-Ihuda, in 1869, and as transcribed by the Englishman Readcliffe who had listened to the speech while a guest at the services. As a result of publication Readcliffe was killed and a man named Sonol, who had invited him to the services, was killed in a duel over this matter.

This is very similar to the famous epistle from the "Prince of Jews" issued in 1489 published in the Rothschilds' papers for Jewish consumption and guidance.

While this matter has had general circulation in France and England, it has been kept away from the people in America for the apparent purpose of withholding truth as in other similar bone-fida instances.

Perhaps the "White House Spokesman" had a good reason for saying: "The American people are too dumb to know what it is all about." Is that some of the Four Freedoms?

We shall recall that the Jews are the only people in the world who have a religion to which none but members of their race blood can belong, and the only ones who have a lodge — a secret lodge, to which none but Jews may belong. They are the most **INTOLERANT RACE** upon the earth, while preaching tolerance and still they ask us to love them.

They are the most **ISOLATIONIST** race upon the face of the earth and promptly isolate those who disagree with them, while they insist that we destroy all our protective measures. They are **INTERNATIONALISTS** and a world organization. They live above loyalty to any nation nor any flag. **ALL INFORMATION CONTAINED**

So This Is The Spot The Long-Green Has Been Coming From

From reliable information United States. Morgenthau just received from Washington did so with the acquiescence of Cordell Hull, then secretary of state, and George C. Marshall, who is now secretary of state and was then the chief of staff of the United States army.

These refugees have been buying hotels, public buildings and business property at prices far beyond the assessed valuation. In some communities the entire main street is now owned by **REDS AND REFUGEES** with the same bad odor, especially. A report released on August 6 reads as follows:

"Secret documents released by the Senate Appropriations committee disclosed that former treasury secretary, Henry Morgenthau, played the key role in giving Russia plates for printing allied occupation money, which Russia has since used to weaken the European economy and to exact reparations at the expense of the other allies.

"Morgenthau actually gave the plates to Russia because Russia refused to accept occupation currency printed in the

NOTE: Patriotic students of international affairs in Washington consider it almost unimaginable that a government would turn plates for printing money over to any foreign (enemy—SDP) power. It is doubly scandalous to think that Mr. Morgenthau turned these plates over to Russia.

It is now a matter of common knowledge that this little gesture cost the American people at least nine billion dollars.

Now this 'dumb' trick having been pulled, let's start writing letters to our representatives in Congress to have them send the Trumpet 15 to 50 \$1000 bills to install the proper type of equipment to carry on the right sort of fight against communism, and then start Sedition proceedings against Morgenthau et al.

Third World War Imminent "EXPULSION OF THE JEWS"

WHERE SHOULD THE JEWS go?
Back to Africa where they came from—Africa the land of the future.

"Baruch holds that the weapon of the air is the most important and that it will decide this war, too. He is convinced that a sufficient number of air-planes shall be able to transform Germany and Japan into mountains of ashes."

This is to be read in the Jewish newspaper Forverts, New-York, September 22nd, 1943. The Jew Bernard Baruch was the war industry dictator in the U.S.A. during the previous great war (and naturally earned millions of dollars at the same time) and during this last war he was adviser to the chief of the mobilisation for war, Dr James Byrnes.

In the book Frank and the Frankists (Cracow 1895) the Jewish lawyer Alexander Kraushaar wrote: "We must use fine words and deceitful talk till all has come into our hands."

The RABBI REICHHORN wrote July 1st, 1880, in the periodical *Le Contemporain*: "We shall drive the Christians into war by exploiting their national vanity and stupidity. They will then massacre each other, thus giving room for our own people."

The JEW MARCUS ELI RAVAGE wrote among other things in the periodical *The Century Magazine*, U. S. A. January, 1928: "*We have stood back of, not only the last war, but all your wars; and not only the Russian, but all of your revolutions worthy of mention in your history.*"

The JEW EMIL LUDWIG (COHN) wrote in *Les Annales*, June, 1934: "Hitler will have no war, but he will be forced to it, not this year, but later on . . ."

The JEWISH PROFESSOR A. KULISCHER published in October 1937 "a call to the democratic press the world over": "*Germany is the enemy of Judaism and must be pursued with deadly hatred. The parol of Judaism of today is: a merciless campaign against all German peoples and the complete destruction of the nation. — We demand a complete blockade of trade, the importation of raw materials stopped, and retaliation towards every German man, woman and child.*"

"Our fight against Germany must be carried to the limit of what is possible. Israel has been attacked. Let us, there-

fore, defend Israel! Against the awakened Germany, we put an awakened Israel. And the world will defend us." (*Alas! Deluded peoples did, indeed, help their mortal enemy, the Jew. Editor's remark.*)

This according to the JEW PIERRE CRÉANGE in his book *Epîtres aux Juifs*, 1938.

The Jewish newspaper *CENTRAAL-BLAD VOOR ISRAELITEN IN NEDERLAND* wrote the 13th of September, 1939, thus a few days after the outbreak of the war: "*The millions of Jews who live in America, England and France, North and South Africa, and, not to forget, those in Palestine, are determined to bring the war of annihilation against Germany to its final end.*"

The JEW SCHALEM ASCH wrote the 10th of February, 1940, an article in The French newspaper *Les Nouvelles Littéraires* and addressed to the French soldiers: "Even if we Jews are not bodily with you in the trenches, we are nevertheless morally with you. This is our war, and you are fighting it out for all of us."

The JEW WLADIMIR JABOTINSKY, leading Zionist, wrote in his book *Die jüdische Kriegsfrent*, 1940: "*When the national socialists and their friends cry or whisper, that this war is brought about by the Jews, they are perfectly right.*"

Behind Communism stands - the JEW!

THE JEW KARL MARX WROTE THE COMMUNIST MANIFESTO IN 1847. HE IS THE FOUNDER OF THE JEWISH PHILOSOPHY OF COMMUNISM, MATERIALISM AND WORLD-DOMINATION BY JEWRY.

After the Communist Revolution in October, 1917, Russia was dominated by a Council of Ten; they comprised SIX JEWS, TWO HALF-JEWS, ONE POLE and ONE RUSSIAN.

The six jews were: Bronstein-Trotsky; Rosenfeld-Kameniev; Radomyslskij-Sinowjew; Sokolnikoff; Sverdlov, and Uritskij. The two half-jews were: Lenin and Stalin. The Pole: Dzerzinski. The Russian: Bubnov.

In the British White Book No. 1., on Russia (April 1919) was a report by the Dutch Minister, M. Oudendyk, at St. Petersburg, who acted in charge of British interests during the Bolshevik revolution. He regarded the immediate suppression of Bolshevism to be the most vital need of the world, if need be by active war. If Bolshevism was not stopped then, he forecasted, that it would, in one way or another, spread all over the world. His report is dated September 6, 1918, and he emphasises that *Bolshevism is organized and led by jews who have no nationality and whose aim is to gain power by the destruction of existing world order.*

"The American Hebrew", leading jewish newspaper in U.S.A., wrote, September 10, 1920: "The bolshevist revolution in Russia was the work of jewish brains, of jewish dissatisfaction, of jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to jewish brains, and because of jewish dissatisfaction and by jewish planning,

shall also, through the same jewish mental and physical forces, become a reality all over the world."

In 1929, the jewish writer, Joseph Haiman, who had returned from a visit to Russia, wrote in the New York "Hebrew Tribune": "In Soviet Russia we have not a dictatorship of the proletariat but the *jewish dictatorship of the proletariat.*"

"Jewry is the father of Marxist-Communism", said the jewish journal "Le droit de vivre", published in Paris, May 12, 1933.

The Russian call soviet-power "shidovakaja vlastj", which means, *jewish-power.*

After the Red Army had been cleared out of Latvia, in July 1941, the Latvian Press published detailed stories of Soviet brutalities which occurred during the occupation. The journal "Laisve", dated July 19, says: "In Lankeliskas, the first day the bolsheviks entered, they seized the Rector Balsys, the clergyman Petrika, and Professor Dabrika, from the hamlet Vilaviekis. They dragged them to a wood and tortured them in the most cruel fashion, and then shot them. The Rector Balsys was found crucified to a tree, a strip of flesh had been carved out of his back. In Zarass, a cross had been carved deeply on the breast of the priest Baltrina, and spikes had been hammered into his head and eyes." — This is Communism put in practice. Editors remark.

HE WHO HAS DISCOVERED THE TRUTH ABOUT JUDAISM, AND WHO DOES NOT FIGHT JEWRY AND WARN HIS FELLOW-CITIZENS OF THE JEWISH-MENACE, BECOMES AN ACCOMPLICE OF THE JEWS AND AN ACCESSORY TO THE MISFORTUNES OF HIS NATION.

FOREWORD

WARNING AGAINST TRAITORS WITHIN

The fact of long delay in getting this into circulation requires some explanation—and here it is straight from the shoulder:

A Washington attorney by the name of Norman S. Bowles, Sr., a 66 year old man, who represented himself as "Southern born" and a patriot, ingratiated himself by offering magnanimously to prepare the petitions as required by the Resolutions adopted, and to file with Congress. Repeated efforts to get action, then an explanation, response. On March 18, 1948, Mr. Bowles cashed a check which was tendered him in good faith, although he had promised to "serve the cause" without any charge. On March 21st he wrote that he would get to the matter soon. On April 7th he wrote that he was "waiting for something to break."

Since then, all efforts to secure the return of all papers, including the copy of minutes of the meeting, have been futile. Although the matter was placed in the hands of a prominent Washington attorney and a well known patriot, whom Mr. Bowles "assured" (?) he would return the papers and refund the money. Nothing has been received so far, except the minutes—not even the courtesy of a reply to letters.

So, friends, you must realize that our situation is very critical when anyone who represents himself as a patriotic American can so betray his fellow citizens, and misappropriate money to boot. That is the Communist usual technique; also to thwart the work and efforts of those who seek only the safety of the nation for the good of all.

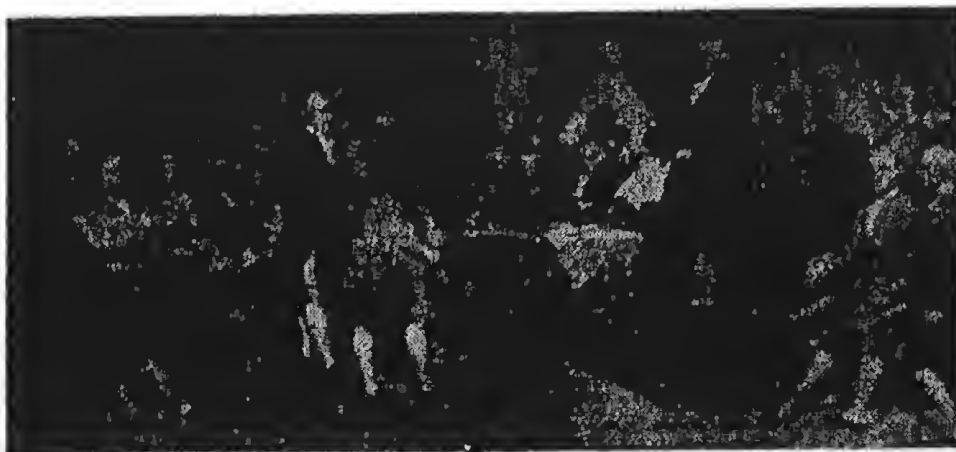

Let us hope that this incident drives home to you the fact of the necessity for fighting "like real soldiers" to put such men and the kinky haired Asaitic-Zionists, whom they worship, where they belong—on the gallows, or in the concentration camps they have built for all those who oppose them.

That there is a full fledged, aggressive, "silent" war in full operation here in America right now no thinking citizen denies. But friends do you think it will end of itself? Has it ever ended of itself elsewhere? We can save this country only if you, you, and you do your full duty. If your children are enslaved, don't say we haven't warned you and pointed to "a way of safety" in America Re-born.

Get your copy today, and get into this fight for your own survival: open up your purse and help those who are battling for the survival of a free America, and your own Security.

REPORT OF ORGANIZATIONS CONFERENCE

At a conference of the National Patrick Henry Organization, Inc., held in Washington on March 9th, 1948; in a co-ordinated, the following Resolutions were presented and unanimously adopted, with the view of presenting to Congress in the form of Petitions:

*The National Patrick Henry Organization, Inc., Charter has been acclaimed
the most constructive document since the birth of our Constitution.*

MOTHERS OF SONS — WIVES

As a final appeal to you: How much of the responsibility for the cowardice and chicanery so prevalent today are you willing to attribute to your short comings?

With two generations of an almost lost manhood, beginning with the age groups of such men as Thomas Sikes, Ralph Abbotson, Willard Register and Ernest Britton, we have the appalling spectacle of a budding generation of juvenile delinquents.

Taken with the fact that the world is teeming with people afflicted with germ-metis, churned into an aggressive force by our enemies—the lying “chosen of God” propagandists—is it not time to get into this fight for your own self-preservation as well as for the survival of a free, Christian America?

All patriotic groups are urged to join The National Patrick Henry Organization, Inc., as an associate member for co-ordinated effort.

RESOLUTIONS

(1)

INDICTMENT BY NATIONAL PATRICK HENRY ORGANIZATION, INC. OF HARRY S. TRUMAN, PRESIDENT

We hereby indict Harry S. Truman for Treason and other High Crimes and Misdemeanors requiring his removal from office as President of the United States, in accordance with Section 4, Article II, of the U. S. Constitution.

(a) He has flagrantly and frequently violated his oath of office to faithfully execute the Office of President of the United States, and to preserve, protect, and defend the Constitution of the United States to the best of his ability. (Article II, Section 7, U. S. Constitution).

(b) He has urged the Congress to enact legislation which would completely subvert the Constitution, destroy the states and individual liberty and private enterprise, abolish local self-government, confiscate private property, and arbitrarily fix the social, civic, religious, business, labor, and employer status of all races, colors, and by creeds by force and violence and gestapo methods comparable to those of the notorious O. G. P. U. of Communist Russia.

(c) He has urged the lawless and unconstitutional appropriation of many billions of dollars for a period of many years to foreign countries, groups, and political cliques.

(d) He has committed acts of war against foreign nations without a declaration of war by Congress against said nations, in violation of Section 8, Paragraph 11, Article I of the U. S. Constitution.

(e) He has kept the country in a State of War for several years since the conclusion of World War II and continues to insist that Congress re-establish rationing and other iniquitous controls which were in force during the actual war.

(f) Under the false pretext of opposing communism, he has been committing overt acts against Russia and squandering billions of dollars of the taxpayers money in this manner, while maintaining on the payroll of the executive department many notorious communists and traitors of this country and allowing thousands of others in this country to proceed without hindrance in their vowed purpose to destroy our Constitutional form of government and set up a Soviet despotism of the Russian type and under complete domination of that country, an enemy of our country.

(g) During his entire occupancy of the Presidency, he has kept our country in a rigid police state in utter defiance of the Constitution.

(h) Instead of taking care to faithfully execute the laws, he has brazenly flouted the supreme law of the land, the U. S. Constitution, the laws pursuant thereto, the constitutions of the various states, and many of the laws enacted thereunder.

(i) Under the false pretext of preventing inflation, he has arbitrarily vetoed an income tax reduction bill reducing by a small percentage the enormous, confiscatory, and enslaving taxes imposed upon the people by the tyrannical New Deal, and has sought in every way possible to prevent reduction in said taxes, all in violation of the Constitution and the will of the people as expressed through their duly and legally elected representatives. In this presidential election year and for the purpose of buying votes for himself and his fellow-travellers, he has now proposed a so-called tax reduction of \$40.00 each to millions of voters in the lowest bracket at the expense of the thrifty, industrious, patriotic, and constructive citizens in the higher brackets.

(j) Under the false pretext of "cementing unity" and bringing about the Roosevelt so-called "more abundant life of freedom from all want and fear" he has arrayed race against race, class against class, labor against capital; and has kept the country in a state of hate, strife, fear, excitement, apprehension, and inefficiency.

(k) He has continuously urged permanent conscription under the guise of universal military training, inflamed the war spirit constantly, pretended he has

been working for and toward permanent peace while stirring up war and carrying our country further and further toward a third World War.

(l) He has pretended to fight high prices and inflation, urging continuously a restoration of unconstitutional price controls, while he has been doing all he could to keep prices up to their exorbitant and inflation level.

(m) Under the false pretext of saving this country, he has squandered billions of dollars of the substance of our country upon foreign nations all over the world, making our country weaker and weaker and more vulnerable to attack, while Russia has been growing stronger and stronger through the enormous resources she secured from this country under the treasonable Lend-Lease Program of the Roosevelt-Truman New Deal and the confiscation by Russia of enormous quantities of American property illegally given to other countries by the same New Deal under the false pretext of opposing communism, nazism, fascism, etc.

(n) He has consistently represented radical and lawless minority groups, classes, and races at the expense of the overwhelming majority of the law-abiding citizens of the United States.

(o) He has represented foreign nations, groups, and cliques against the United States, at the expense of, and with irreparable damage to, our country, and in utter defiance of his oath of office to preserve, protect, and defend, the Constitution of the U. S. to the best of his ability, holding the welfare of said foreign nations, groups, and cliques above the welfare of the United States and its people in every respect.

(p) He has started a malicious, destructive, and lawless drive against the Southern States, their traditions, customs, and local and state laws, stirring up racial and class strife and bringing about domestic violence, all in gross violation of his oath of office and of the U. S. Constitution and particularly of Section 4, Article IV of the Constitution, which provides that "The United States shall guarantee to every State in this Union a Republican Form of Government, and shall protect each of them against Invasion; and on application of the Legislature, or of the Executive (when the Legislature cannot be convened) against domestic Violence." He has defied the Governors of these states in their protests to him against his said drive under the false guise of "Civil Rights" program, which, if enacted as proposed by his committee and endorsed by him, would inaugurate in this country the worst tyranny ever conceived by ruthless, unscrupulous, and treasonable New Deal politicians.

(q) He has used the highest public office within the gift of the people of the United States to exploit, harrass, enslave, and impoverish the American people for the benefit of foreign countries and radical and treasonable minority groups in this country seeking to overthrow our constitutional form of government and set up instead a despotism containing the worst features of communism, nazism, fascism, and socialism.

(r) He urged, nominated, and secured through political pressure and chicanery confirmation of the appointment of a notorious radical of communist leanings and associations if not an outright communist, and father of a communist daughter, as head of the Atom Bomb Commission, the sole custodian of our most powerful weapon of national defense.

(2)

RESOLUTION OF THE NATIONAL PATRICK HENRY ORGANIZATION, INC.

WHEREAS, the two leading American political parties as now constituted do not stand for the Constitution or the Principles of the Declaration of Independence.

WHEREAS, the Democratic Party under the leadership of Franklin Roosevelt and Harry Truman, has become the New Deal Communistic party, and the exponent

of permanent conscription and continuous world war.

WHEREAS, the Republican Party is a sectional and Anti-Southern Party and has now become foreign and New Deal in its outlook and programs and "Me Too" for the so-called Democratic Party.

WHEREAS, both parties have become thoroughly un-American, corrupt and utterly faithless to the Constitution and the Principles of the Declaration of Independence.

WHEREAS, the 14th and 15th Amendments to the United States Constitution were obtained by force, duress, violence, and other un-Constitutional methods under the radical leadership of the notorious traitor, Thaddeus Stevens, during the Black Reconstruction Days, for the purpose of insulting and wreaking vengeance upon the Southern States for their magnificent fight to preserve our Constitutional Republic as conceived and established by its founders.

WHEREAS, the 16th Amendment to the Constitution was secured by selfish politicians seeking to perpetuate themselves in office and provide themselves with unlimited power and funds at the expense of the taxpayers, and through fraud and propaganda, such as false statements to the effect that a maximum of only 2 or 3 percent would ever be levied and then only for the purpose of supporting the government on a Constitutional and economical basis, but under the Roosevelt-Truman New Deal the income tax rate reached more than 90 per cent of the net income of tax payers in the highest bracket, and such taxpayers are not left enough out of their income upon which to live decently and pay their State, City, County and countless other taxes, and the new deal communist now admit that the income tax or 16th Amendment is being used to redistribute the wealth of the Nation by taking it from those who earned and own it and giving it to New Deal worshipers and followers, and the latter, in accordance with the doctrine announced by their Patron Saint, Harry Hopkins, and that they intend to "tax, and tax, and tax" and "spend, and spend, and spend," until they have completely Communized, degraded and impoverished all true Americans and thoroughly entrenched and financed themselves as the Russian commissare of America.

THEREFORE, we hereby resolve that the said so-called Democratic and Republican parties should be abolished and in their stead should be created the American Protestant Party and the National Party. That each said parties should declare and dedicate itself irrevocably to preserve, protect and defend the Constitution of the United States against all enemies, foreign and domestic, and to abolish the 14th, 15th and 16th Amendments to said Constitution, for the reasons stated above and especially because they are contrary to the principles of the Declaration of Independence and the U. S. Constitution as conceived and ordained by the founders of our Constitutional Republic.

Other important business after an inspiring talk addressed to the conference by Mrs. Jessie W. Jenkins of Columbus, Ga., a period of open forum discussions on the vital issues confronting the nation followed.

It was further resolved that all patriotic organizations not yet associated with the National Parick Organization, Inc. of Columbus, Georgia be advised of the business of this Conference; that they be urged to join at once for a united front in this move to co-ordinate all nationalist effort; and that they write, wire or otherwise indicate approval or support of this action.

Since it is a recognized fact that the powers (or the hidden hand) behind our government are carrying out age-old plans of perpetual war, clamring for U.M.T. and a "citizens Army," it was pointed out that "the citizens soldiers" of Rome helped to bring Rome's down-fall—a fact which should be brought to the attention of our citizenry today; that a demand by the thinking citizenry en masse should initiate a War Crimes Tribunal, or take some other adequate investigative action to bring our own war criminals as well as their foreign co-conspirators to trial, in the belief that

if England would "ferret out" her own the heads of the world wide Zionist-Communist conspiracy, thus cut off, the branches would be more nipped, including our own obliging servile Senators, Congressmen, and other officials of whatever rank, who have persistently supported the New Deal-Jew Deal, Un-American, unconstitutional Programs and legislation, instead of bringing the conspirators before the bars of justice; that they have not only allowed millions of Mongol and Mongrel Asiatic aliens of the most undesirable stripe into our country, probably revolutionaries and secret police, they have done nothing to stop it, although they have seriously complicated our housing, employment, and food situation, all this while clamoring for our government to provide housing, employment and "relief" (food) for them; That the Republicans have also adopted the "Jew Deal" long ago instead of seizing the opportunity to exert the leadership of which they boast; That among those currently in the lime light are: Stassen, reportedly sent to see Uncle Joe by B'Nai Brith; Robt. A. Taft, reputed protégé of rabid Zionist Rabbi A. H. Silver; Vandenburg, an ardent internationalist-of-the-worlder; and the man Dewey who has sold the good people of New York down the river and converted the state into a Second Russia. Elect Dewey and you may as well put Stalin in the White House for he will serve his masters in the self same manner: . .

A. That an investigation be made as to the control of newspapers and other publications, as well as radio broadcasts, that deny Americans the right of "Free Speech."

B. That an immediate investigation be instituted regarding the activities of Bernard M. Baruch—at the demands of the people,—the mastermind of the U. S. Jewish activities, who claims descent from King David and could, conceivably, cover the throne of World Jewry a la Protocols;

C. Also: ambitious, zealous Zionist David E. Lilenthal who controls our Atomic Bomb, and is said to have refused all access to the Atomic Commission—so that we do not know if the Zionists have spirited away our bombs, or whether we have any;

D. Also: Why Mr. Henry Morganthau Jr. has been allowed to impose his (Protocol) plan (of extermination by starvation) on the helpless Geneile German people. Why he has not been brought before the bars of justice for giving away to the Zionist Russia our plates for occupation money;

And why Gen. Marshall and Gen. Eisenhower have not been called to account for their part of this treasonable act;

Also, Kuhn-Loeb Co., reputed branch of Rothschild Banking House of England; The Lehman Bros., Dr. Sheldon, Mrs. Eleanor Roosevelt, Mr. Tom Clark and Leon Birghead.

That a full investigation be made of the activities of B'Nai Brith, thought to be a Secret Police; and the Anti-Deformation League, thought to be a Spy System, and its affiliates such as the Anti-Nazi League, so-called but actually an anti-Gentile spy ring to persecute and smear patriotic Nationals who expose the Zionist-Communist conspiracy and their "democratic" racket.

E. That the people be urged to demand of their Congress an explanation of their violations of their oaths, and why they have adopted the "Communist New Deal" almost in its entirety.

The Wagner Act, The Federal Reserve Acts, two Jewish precipitated world wars;

Lend-Lease-give away; UNRRA, and now UN one world, for Jews only, wherein our sovereignty has been surrendered and which is the main purpose of the Civil Rights outrage—to destroy States' Rights, and all other rights, to give the Jews the overlordship;

That ERP is designed to reduce us to impotence, force air tight controls upon us to complete the net of enslavement;

That it is clearly evident "Congress" has strayed from the tried and true course chartered by our founding fathers—and it is up to the people to evaluate the corruption at home as well as abroad, and, rising to a man in righteous indignation, to revive the Spirit of 1776, and round up all our Benidict Arnolds;

That the issue for the people to settle is whether we are—as a Gentile Nation—to continue under a free government of God-fearing Gentile officials (and not "Me-Too" Jew lovers or their kinky-haired stooges); or to permit Baruch (and his associates, both domestic and foreign) to become another Mordecai and precipitate the slaughter of millions of Gentile-Americans, as in Persia, Rome, Russia and elsewhere to annihilate all but Zionists and their hordes of Asiatic fellow-travelers according to their advertised aims (and for which purpose they no doubt insisted upon control of the Atomic Bomb.) For this reason, it was concluded that if the people do not wake up and show their backbone, they aren't worth saving. It's a case of action now;

Also, demand an investigation of communism in our schools as well as the activities of the instructors; and the many "workers' schools;"

Re: THE POLITICAL PARTIES

That since both our patriotic parties have been taken over by the Zionists, The National Patrick Henry Organization, Inc., proposed that both parties be repudiated in order to regain control of our election machinery;

That the American Protestant Party replace the Democratic Party as a vital means of purging the "democratic fetish"—the racket which has been employed, according to plans, for centuries, to overturn all other empires;

That the National Party be substituted for the Republican Party.

But upon full discussion and recommendations of other able leaders the proposal for a Protestant Party was changed to that of the Caucasian Party and unanimously adopted, to wit: The National and The Caucasian;

That, inasmuch as Thaddeus Stevens, a radical moron and notorious "agent" during the Black Reconstruction Days, dominated our Congress in much the same manner that Bernard M. Baruch has for the past thirty odd years, therefore securing the enactment of the 14th and 15th Amendments to the Constitution under duress, and through other illegal means, that said Amendments should be declared null and void; likewise, the 16th Amendment obtained under false pretexs and now being exploited to impoverish our citizens and destroy our country in the same manner that Sparta, Athens and Rome were destroyed—via the "democratic" route;

That it is up to the people to demand action to rescue their government—NOW.

That in times past other nations have found it necessary to expel the Jews, an expedient that is abhorrent to the American people who have not yet protested the extermination of the White Gentiles of Germany, to their own shame;

And inasmuch as they have precipitated the crisis now confronting us, action NOW is essential for our own defense and survival. Let no man shirk his duty, regardless of probable consequences so long as he trusts that power above, which we must all do; and stand together, united, in the cause of Christian America.

WE NEED 2 NEW PARTIES

(Quoting From Today's World)

"The Republican and Democratic parties are a nuisance and a stumbling block to realistic politics in the U. S. A. today. They are too old, too out of date, too cluttered with conflicting internal interests, to give the voters a clear choice on the issues of our time.

"The latest of many proofs of this truth has just been developed by Harold E. Stassen, the Republican Henry Wallace, in his announcement that he is going to contest with Sen. Robert A. Taft for the Ohio delegates to the Republican national convention.

"Stassen knows perfectly well, as all other politicians do, that he isn't going

to win the Ohio delegation or even a useful minority number of delegates.

"He is going out to Ohio for the specific, deliberate purpose of making mischief against Taft . . .

"The reason that is happening in Ohio is because nobody knows exactly what the Republican party stands for and Stalin hopes to gain out of compounding its internal confusions.

"The same thing is happening, of course, within the Democratic party, but worse. Henry Wallace is eating away at Truman's organization in the critical States of New York, Illinois and California.

"Down in Dixie, various governors led by the new man in Mississippi are talking hotly of still another split of from Truman, taking to the right as much as they can to match what Wallace is aking to the left.

"Plainly all these items together signify that a big thing is moving down under the surface in American politics. The voters in neither major outfit find their party organizations representative.

"The basic problem of politics in this era is whether the majority of the American people want more conservatism or more radicalism in government. But the hashed up character of the two big political organizations forbids finding out. The result is for the worse in every respect.

"There is just one intelligent way out and that is for the Republicans and the Democrats to change their labels and rewrite their party platforms so that all conservatives can find a home one place and all the radicals another."

POWER OF THE EXECUTIVE CAN LEAD TO DICTATORSHIP

That the power of the Executive should be curtailed; that Secretary of State and all department heads should be appointed by Congress (See: America Re-born), and made responsible to Congress, to eliminate possibility of a handful of men forming our national policies and directing our national affairs in a manner inimical to our own interests and security as in the case of UN, where our sovereignty has been bartered away with ERP to finish us off in the typical Zionist style.

That it has now become imperative for us to re-chart our course from our original moorings, and return to our Constitutional Republican form of Government, that America may not be brought to sack cloths and ashes, as was Rome; that it is incumbent upon us to save all of Western civilization and prevent a repetition of the unspeakable horrors of another period of Dark Ages—and our duty as soldiers of the Cross as well as of our flag to resort to every possible means to protect ourselves, to preserve our way of life—to make America safe for Americans.

ALL LEADERS SHOULD BE PATRIOTIC AMERICANS

That after careful study and weighing of facts, we staunchly support Hon. G. Seals Aiken, able Atlanta, Ga. attorney, for President of the United States, or Gov. Fielding L. Wright of Mississippi—and reject all other names advocated, including Eisenhower who is being kept conveniently before the public, just in case the Republican choice proves too unpopular. Gen. Eisenhower has been listed as one of our quislings who should be stood before the bars of justice to explain some of his own activities, including his part on the money plates given away; also his part in forming the Zionists-Marshall Plan, and holding back our armies before Berlin.

If the people of America want to go under the rule of the Zionist conspirators, the next best choice (after the number one, Dewey) is "General Ike."

But our plea and prayer is that you can concentrate on a strong American leader, and we earnestly submit that other choice for the Presidency of this great Commonwealth is the personification of every virtue required for the special tasks of rescuing our government today; including absolute fearlessness.

NOTE: Since the "Dixiecrat" convention has taken place since our conference and Gov. Thurmond has been named as its choice for President, with Gov. Wright as has running mate, we earnestly urge your support of the patriots, as our best hope

of a start back on the road to sanity and toward our original moorings. We must NOT let Dewey or Truman win.

THE MARSHALL PLAN MEANS SLUMP—MAYBE RUIN

If the whole Congress consents to the preliminary consignment of American resources to Europe, and later approves the total expenditures—the debt and tax burden of the American people will be increased by seventeen thousand millions in four years. Every American is going to be poorer and our government will be weaker, and may become impotent to international affairs.

That is part of the schemer's plans to make conquest easier for them.

The decision of the Senate Foreign Relations Committee on the Marshall Plan is an abject surrender to the Truman Administration's heedless recommendation of stupendous expenditures for European rehabilitation, and it is a total abandonment of responsibility for adequate safeguards against the inherent dangers of the stupendous costs of the program.

The Committee made no reduction whatever in the total expenditures proposed under the Marshall Plan, and only indulged in a gross deception about the scope of the program.

Unless the Senate as a whole, or the House of Representatives, can be made responsive to the fundamental national interest which should be the paramount consideration of Congress in this matter, the American people are destined to be burdened with the stupendous costs of the Marshall Plan for many generations to come, to the grave impairment and jeopardy of their future interests and the welfare of the American people.

If the American Congress does not have a sufficient sense of patriotic responsibility to perform this duty in behalf of the American people, a sufficient upsurge of national protest against the incapacity of Congress becomes a matter of utmost necessity.

FEDERAL AID TO EDUCATION TRAP-BAIT FOR FEDERAL CONTROL (Quoting from News and Views—April '48)

"The purpose of this REPORT is to explain the so-called 'Federal Aid to Education' project that has now been pressured through the Senate—to show who and what is behind it—and otherwise to produce preponderant evidence showing its dangerous nature and purpose.

"First, what is this 'Federal Aid to Education' bill now pending in Congress? Stripped of its complicated, confusing and tortuous language (which within itself is dangerous because not one person out of a hundred could make heads or tails out of it) it is a plan to distribute MILLIONS of Federal dollars into the public school processes of the States . . . The purpose is to get Federal money flowing into all States and as this grows, Federal domination can be accomplished. There is also political opportunism here. To give each State a 'hand out' also gives Senators from 'rich' States an alibi for supporting the scheme.

"YES—THIS BILL WOULD START FEDERAL CONTROL OVER PUBLIC EDUCATION. Senator Taft, in his 1943 denouncement of this Federal Aid scheme said, 'Federal subsidy in the end means Federal control.' "

There is a scheme on foot, backed by not only Zionists, but the Rockefeller and Carnegie Foundations, to put a thorough control program into effect such as is imposed upon the Russian youth.

One of the books the Russian youth is compelled to study is: I Want To Be Like Stalin.

With this conspiracy to Soveitize (Bolshevize) America, you can see to what ends it is all leading.

SOCIALIZED MEDICINE AND JEW-CONTROLLED DRUG COMBINE

Housewives—mothers of families, do you know that you are feeding your families poison to enrich the ungodly lords of the drug industry?

Do you know that the vital food elements are extracted from wheat and other grains to make an excuse to add dangerous chemicals to flour and other foods—now called enriched this or enriched that and vitamin fortified something else. Do you know that these poisons taken in small quantities daily are aimed also at wrecking the health of this nation, and that they are known to produce a number of diseases, including cancer, polio and insanity? The pressure for Socialized Medicine is to gain complete control over our lives.

THE NEW D. P. LAW

Permitting thousands of so-called D. P. is just another scheme to legalize the entrance of the Jews' Red Army and Secret Police—with all their equipment. Those slipping across our borders by the thousands daily couldn't get it across. It is one of the tragedies of these perilous times that our Congress has failed in its responsibility to tighten up our immigration laws and bar these revolutionaries. Another reason why it is incumbent upon the people to undertake their own safety—and that begins in a united effort to throw out the traitors: Native, as well as foreign. (But beware of the League of Women's Voters: Consult Mr. Walt Disney.)

CALLING ALL WOMEN

Mothers of sons, wives or fiancées—do you want to do your part to keep your country out of war, and your men folk at home, on good American soil? Or do you prefer to continue your playing around—at first, this little club, then another?

We have often heard the expression of some fine young man that he is a very worthy son. Can it be said of YOU that you are a worthy parent, or a worthy companion?

Have you ever heard the (true) story of the young man about to be hung for his crimes, and how he asked that he might bid his weeping mother farewell? Instead of embracing her as she imagined, he bit her ear off, and above her surprised shriek he shouted: "You are responsible for my plight, and I hope by this you'll remember it. When I was little and did little things you should have spanked me for, you thought it was smart and that encouraged me—and now see where I am."

Oh, friends, you are doing the same thing; your Johnnies and Joes are so smart to you, pleasure mad, spineless parasites who never take time to give any serious thought to what is going on, how it may be eating away into your own home and destroying it and the souls of your loved ones, you are betraying them as well as your country. How can you look at yourself in your mirror and say: "Well done, good and faithful servant," even tho you do go to church regularly and to your WMU meetings where you still have pleasant social contacts? True religion impels an abiding alertness for all the forces of evil and an unyielding patriotism. You send your sons (and daughters) off to school and you never give it a thought as to the evil they are gleaming from the anti-Christ forces that have crept into the instructors' chairs—a few of which are just now coming to write our school books are saturated with the Jews' poisonous doctrines we call "communism" (and atheism) even here in Columbus, where this writer has personally examined eight high school books, dripping with it. If you could realize what it means you wouldn't rest until they were all piled in a heap and burned. It has been called to the attention of your superintendent, and his assistant thru the chairman of this committee—Mr. W. C. Woodall—who is in full sympathy with these doctrines; and trying to convince Mr. Shaw is like pouring water on a duck's back.

This is just one of the reasons you are needed on the fighting front: A united citizenry is the best hope of saving this country, and keeping it out of the Jews' wars to destroy it and enslave us in Russia.

It is up to you: Do we stay up, or are we going down because you fail to do your duty?

Mrs. J.W. Jenkins.

MADE IN COPY

Sunday Morning, June 27th
1949

Butler, New Jersey

Mrs Jenkins;

letter

Your/dated June 25th and addressed to the undersigned arrived here on last Saturday morning while I was in Washington, D.C. attending a conference, as per my orders your letter was opened and studied by the staff so that they could give me their reactions upon my return here, so as not to waste any further time with you, here then is my reply.

In this letter you state that you are working and pressing to bring Pastor Shuler there to Columbus, this of course is just so much more of your lies, the truth is, like everything else, you have done nothing in that direction, and you intend to do exactly nothing, so stop right now, trying to sting this writer and Pastor Shuler along, for this writer, the undersigned, has been wise to your racket a long time, and we are NOW calling you to a point of order.

b7C

Pastor Shuler impresses me as a Gentleman and a American Patriot, sincere, honest and courageous, this type does not impress you at all, rather you select the "Racketeer and Mercurial" type, such as [redacted] yes and others of their ilk, for like yourself they are mentally dishonest, so as I have told you before water finds its own level, and in tying yourself up with this self styled "Parson Jack" whom you, yourself so bitterly denounced (and justly so) in times past when he misused you, you Mrs Jenkins have found your own level.

(cheated)

While we do not say, nor do we think, that you are in the employ of the Communist enemy, nor on their payroll, yet we honestly believe that you are being for you serve their interests well, for when you use sincere and honest crusader Patriots and string them along with your well organized campaign of lies, you are a danger and a menace to all those that are the recognized leaders in this work

In this admonition I am fully convinced that you have an inferiority complex, and having this disastrous state of mind, you write to every Tom, Dick & Harry Rat, Spy, Informer, Steel-Pigeon in the employ of our enemies in order that they write you in return, for this gives you an air of importance, but this is most DANGEROUS to all other legitimate crusaders in this most worthy cause, and it should be made known to all others in this work.

You yourself have stated that you write a great many letters into New York City, this in itself tells much of your story, for there is no doubt that you are in constant contact with known enemies, and this again is a grave DANGER to all workers in the anti-communist net-work.

My decision to cut myself off from all further association with you, is not impulsive or spontaneous, rather it has been under consideration over a period of time and a complete survey and re-reading of all my communications to you, and your answers to me, which proves beyond a shadow of doubt, that you are a fakir, if not an outright "FRAUD" and in a forthcoming Bulletin that I am preparing for nationwide circulation I will discuss you in full, and my association with you over the years.

So that there will be no misunderstanding as to the purpose of this letter to you, may I say here that I am sending a copy of it direct to Pastor Shuler for his information and guidance, and a copy for my files for further and future reference, now please don't write me any more, I don't want to read any more of your lies, but being a Gentile, I believe in "REFORMATION" if you decide to reform (which I don't think you can, or will) communicate with Pastor Shuler, and he can contact me, either at my Headquarters in Washington, D.C. or here at Eastern Headquarters, Butler, N.J.

P.S. We are returning your letter with as a lying sheeting misadventure, which we reject-EIS-

Very Truly Yours.

Edward James Smythe.

(There are attached two letters, with enclosures, from captioned individual who is an officer and apparently the motivating force in the organization also mentioned above. Material received from her indicates that she and her organization are anti-Jewish, anti-Masonic, anti-Negro, as well as anti-Communist. She has always been most commendatory concerning the work of the FBI; however, she has been critical of Attorney General Clark and her prior correspondence has indicated that she may be on the verge of being a psychopathic case.)

Mrs. Jenkins' present letters and enclosures indicate that she has been corresponding with Edward James Smythe, the subject of an extensive sedition investigation conducted by this Bureau and who is known to be a most undesirable character (65-1413). In some of Smythe's letters, which Mrs. Jenkins has enclosed, he has stated "to Hell with J. Edgar Hoover, and you too, and to make that more pronounced I will publish that in a Bulletin for nationwide distribution that will be on the presses within the week." Smythe stated "you indirectly and with cowardly innuendo bring in the name of that Jew stooge 'Hoover' meaning of course, but too yellow to write it 'John Edgar' ..." In another one of Smythe's attached letters he states "J. Edgar Hoover is the most dangerous stool-pigeon for the Jews in this country, he is neither a statesman nor a patriot." Later, in the same letter, he states "J. Edgar Hoover is a pal to these pair of bastards Drew Pearson and Walter Winchell, the character assassins."

Mrs. Jenkins is not pleased with Smythe's letters, although she seems to have been favorably impressed with him in the past, and now she wants us to "handle" him. She is most upset because he calls her a liar, a phoney, and a dangerous woman. She also would like us to investigate B'nai

Dear Mr. Hoover: -

This little note is personal and confidential.

I would like to know why there hasnt been an investigation of A.D.P., B'nai B'rith - Jewish secret police and spy system, now applying the pressures for numerous unconstitutional bills and control schemes. It is in A.D.P.'s How to Secure These Rights that I have listed

ENCL 136
altho I've never harmed a one of them other than expose them as the age old enemies of all mankind. - It is not the Russians or Stalin we need to fear so much as what the Jews will compel them to do. Our government is completely under Bolshevik rule. - the so called Marxists or Zionists

are the Bolsheviks and Danin never made any apologies for the fact.

Do you read any of their radical publications, carrying on their inter-racial warfare: The Sentinel, The Jewish Day, and Daily Forward; Post Home News, The Examiner, etc? Why should we tolerate them on our soil? I have a number of Jewish Year Books, Communal Registers. etc, and have the whole story of the organization for "world conquest" by these Russian Jews - Socialists - many of whom were escapees from prison that come here and begin their revolutionary activities. I will work as an "investigator" incognito, if you'd like.

But let me urge if you possibly can, to have at least two copies of vital statistics concerning criminals made and put away in separate places. ^{Sooner} They'll go after your records first thing - Mr. Sullivan

time, some of which were to the point and I distributed them; others were too rancorous and I could not.

But he sent a steady stream of letters, always asking some favor, and always making some suggestions that were not worth a hill of beans, tho' to hear him tell it; he's the only man in the country that knows anything about what to do.

If you write an article that is published, he'll write and say: If you had of sent it to me I could have made some changes and you would of had something.

He has written a number of very nasty letters criticising this or that but I paid no attention to it because other people I know and consider intelligent have expressed very different and opposite views. I have

3

written him several times to stop writing me, but he always comes back - "now, if you'll just do what I say, etc" -

Now, I believe you understand fully what I am and have been doing, since I have tried to keep you informed. I don't recall if I sent you a copy of "America goes Communist" or not so I'm mailing you a copy. He criticized it severely, altho I had explained that I was terribly disappointed because it was so poorly done. But it is impossible to get a first class printer there as they all tell me the Jews have ganged up on them; and warned them not to print anything else for me or the Patrick Home. I guess you know I'm on the Jews extermination list. Perhaps that is why Mr. Smythe thinks says I'm dangerous? I wonder why he doesn't try to get some of the people who are

4

not doing anything interested in doing something.

My opinion is that he picks those who are and have attained some prominence to get lined up with them because he wants to get his name linked with prominent people either in publications, or on the platform -- whether for good, or some ulterior purposes.

It looks like the latter, because his whole technique is to confuse, to find out all he can and if you disagree with him, his letters speak for themselves.

It has been my conviction that we need unity above all things and I've borne with his "intrusions" because if he is on our side, I have tried to co-operate with all patriots and as limited as my funds are, I've contributed to almost every move in the U.S. I have hundreds of the finest kind

of letters from all over the country and several foreign countries, altho I have never made any pretense of doing anything professional-- only such as I can with such means and ability as I have believing that if all our people did that we'd clear up the whole frightening thing in no time at all.

Don't lose a chance to come right out and tell the people the plain awful truth-- they don't have any idea how critical it is. I had quite a tilt with our new pastor yesterday because, after working a long time to get rid of an old hypocrite, I had high hopes of getting something better on to find he's another bird of the same color. They are deceiving the people-- so are the teachers and the press. But what can be done about Smythe? I want him put out of circulation as he is dangerous. He wrote "Personal" too-- but

but he doesn't let any one tell him how
to run his business: like my self, he
realizes his limitations, but is honestly
serving the cause to the best of his ability.
There is no reason why Smythe should
continually blast him, Phinney, your
self and others -- if he is truly Am-
erican.

If you think Postal authorities should
handle, please pass it on to them.

Thanking you in advance

Sincerely

Mrs. J. W. Jenkins

which are utterly false. He says he's
going to put out a pamphlet for na-

I don't believe I have ever contact-

My dear Mrs Jenkins;

Just received your letter with stamps enclosed. thanks we can use them here as our mail is getting rather heaving again.

Get you get a copy of Pastor Shulers latest bulletin THE CRUSADER, boy its really good reading, I got up most of the copy, by all means get a copy and read it.

That letter from [redacted] is a wank PHONY, and you can spell that all in caps, and underline it too..(J. Edgar Hoover is the most dangerous steel-pigeon for the JEWS in this country, he is neither a statesman nor a patriot, and [redacted] whoever in hell she is) is looking for cheap publicity and a pat on the back ,she is truly ignorant of the affairs of this Republic and its public servants, and you can tell her that from me.....J. Edgar Hoover is a pal to these pair of BASTARDS Drew Pearson and Walter Winchell, the character assassins, and that is who [redacted] calls " A Statesman & Patriot) what a joke, if it were not so tragic, nice company you keep.

Now you send me a very attractive letterhead in this letter, then you go ahead and destroy its beauty and importance by using a rubber stamp for the name of your organization, just like everything else you do, you do it cheap, showing the receivers that you do not prize the name of your organization above the price of a rubber stamp, its all, so sad.. *A united people is a powerful people*

Now will you.....WILL YOU...Or WILL YOU NOT get that pamphlet printed that I sent you and now you return to me, if I get it up in the manner and purpose intended, answer YES OR NO...The very idea of you telling me, or even suggesting that we get someone in Congress to put up such a BILL, these BOMS in Congress are all the same, they are getting more money today that they could ever earn in civilian life, and to tell the truth or even advocate the truth would mean the end of them,,,let us do it ourselves, why pass the buck to a lot of political punk swindlers?... *He wanted to get his name on this sect*

Read Pastor Shulers latest Bulletin THE CRUSADER here I am going to send you the only one I got, read it carefully, look at the high class wording, read the call to action, here you have really a high class, yet small document of truth, blended with historic facts, no bunk or mad raving, and you could put out one like it, and I would prepare the copy for you, but all you do is waste my time and yours too.

Now do you want me to prepare that " Bill " with amendments so that you can get it printed down there...YES OR NO?-----but I want the name and the address of the printer, so that I can give him the proper instructions in preparing it, and getting it out.

In the following issues of THE CRUSADER I am going to write a page under my own name and title, the title of the page will be .."THE SOUTHERN STATESMAN " if you were smart, you would get Pastor Shuler to set aside a page for you under your name, and I would get up a good title for you, that would give it three names three titles and three different personalties, if this meets with your approval shoot me back a AIR-MAIL Special Delivery Letter and I will write Pastor Shuler and coll him on the idea, however I am designing my page now and getting out my copy for Jacksonville this very day, let me see you for the very first time do something worthwhile and constructive, and send this PHONY letter back to [redacted] just as it is, with no comment, let her make the comment..end.

Kind Regards.

Smythe.

Send this letter on Pastor Shuler, he will find it rather good and very direct

(A DISPATCH)

Mrs Jenkins;---

You are a very DANGEROUS woman, whether this is because you are STUPID. IGNORANT or just plain DUMB makes no difference, the mere fact that you are in close CONTACT with KNOWN ENEMIES ([] & others) and at the same time writing and using patriots to further your own ends, does not enter into this.

Just like the Anti-Nazi League and its co-worker " The Frauds of Democracy " you charge this writer with being a member of " A GESTAPO " and like all the other RATS you indirectly and with cowardly innuendo bring in the name of that JEW BOOGY " Hoover " meaning of course, but too yellow to write it " John Edgar " like everything else you do, you do it underhand... So as to keep the record straight, let me say this and put it into the written word, to HELL WITH J. Edgar Hoover, and you too, and to make that more pronounced I will publish that in a Bulletin for nationwide distribution that will be on the presses within the week, then let you sue your head off, that would be the proper thing to do, is to get you into open court, so that I can prove beyond a shadow of a doubt anything I will (and I certainly intend too) publish about you.

You tell me to leave Pastor Shuler " ALONE " yes indeed so that you and your phony friends can corrupt him, well if he is so assinine and stupid not to see through you, then I most certainly will leave him alone, just as if he were a cancerous germ, and that is what I should of done with you a long time ago, right after your dealing with Bowles in Washington. D.C. behind my back. *I did not even know the goal.*

I did not say you mentioned my name to " Raymond Burke " of New York City/ I told you that I did not know any one calling himself by the name of Raymond Burke, and that we do not under any circumstances whatsoever communicate with anyone in New York City except members of the P-W-V... That was a WARNING to you, but you are so damned stupid that you ignore these facts, all you want is too see and have letters coming into you, that gives an air of superiority, but I am not interested in PHONY letters, my mail is ^{heavy} ~~heavy~~ enough as it is, my stamp bill each week is far too high to suit me....

In conclusion...I am not so mad at you as I am at myself for wasting all that most valuable time on you these past few years, then to add insult to injury, you have the unmitigated gaul to try and tell me that you believe me to be a ^{that} agent of the " Jewish Gestapo " well' Well' Well'...You better try ~~and~~ ^{on that} the Anti-Nazi League Steel-Piggon " of New York City and other RATS you are in contact with up there...And you poor STUPID female, you should know that if I were a member of the " JEWISH GESTAPO " I would not sever my contact with you under any consideration, but rather I would yess you to death, and stay right along with you getting your guts, as you do with others, but I just got good and sick of you and your methods, but it did not come overnight, I had been watching your actions and your reactions ever a long period of time, and when you sent me back that copy of Pastor Shuler's " THE CRUSADER " I decided it was time to call you to a point of order...And now let me catch you writing any letters to anyone stating that I am a member of " The Gestapo " or a informer or agent for any Jew or communist front organization, and I am telling you now, and at this time, I wont sue you, I will fly down there to Columbus and get a WARRANT for your ARREST on criminal libel, you are not monkeying with some bloody imbecile, you will learn that before you are through with me.

I want to jail three time during the last war for my opinions and convictions before I ever heard of you, if I were a steel-pigeon I would of had the ten thousand dollar bail that was slapped on me, but instead I had to lie in jail months two times, and then a TRAMP like you has the audacious slimy nerve to try and BLACKMAIL me, well you have another revelation coming, and how?...

You just sit back now and look over my letters to you over the years, did I ever once ask you for anything? ...NO NEVER---All I did was to try and advise you and help you to the best of my ability...But its the old story, you cant make a purse out of a sows ear. and that covers everything.

Post-Script-----I am sending your letter on to Pastor.Allen C. Shuler with my compliments and remarks-----EJS.

I have just returned from a trip to several small towns where I shook hands with townsmen and found, to my surprise, most of them States Righters—which is encouraging.

Hold the copy of the letter you've written, entitled 'Dispatch'—for reference. I can digest just so much at a time. Right now I'm dickering with and don't know what to say on the circular proposition, but don't want an ad. at this time.

As to Dr. Shuler: I took it up, and will press all I can as I'd like to get him here, but it may take a little time to work it up with the proper dignity, but will say, in the end. Having you. Mosely would be ok. top. to all something. to work for. I will & thank you. So please relax. I'm doing what I can. Sincerely, Mrs. J. W. Denton

Mr Smythe -

If you expect a point by point rebuttal of the distortion contained in the letter you have had the unmitigated gall to send a Southern gentleman, you are in for a disappointment.

I have patiently read the filth you have sent down here from time to time and I've never asked you to take any of your precious time.

If you were a gentleman or a patriot you could not pen such filth and I consider you the lowest skunk God ever let live and breathe.

If you are so busy, why don't you go after some of the enemies? How do I know that you will not, for you condemn every body in the country except Ed Smythe?

ENCLOSURE

I have much better use for my time

I have already sent him your last

TAR and FEATHER the CHRISTIANS

this Jew says.

The writer has received a typically "Jewish" reply to the truth, facts, and documentation contained in ZIONIST WAR-MONGERING, proving the venom and vengefulness of these people, as stated on page 16 of said booklet.

This BRAVE Jew writes *anonymously*, from Chicago, postmarked June 19, 1948:—

"This is the first time in my life I've ever wanted to call anyone a RAT—you and your ilk are worse than the lowest form of life.

"This is the first time in my life that I've wanted to answer such vile accusations as you have published. I shall dedicate my life to helping *wipe out you and your vicious kind*.

"I do not believe in *anonymous* letters—but in my case, I am a Jew, an American, and have nothing to fear. However, alone I cannot fight you—but I am strong enough to join with MY TYPE OF JEW AND AMERICAN to eradicate you—and it shall be done.

"YOU SHOULD BE TARRED AND FEATHERED."

★ ★ ★ ★ ★

I am filing copy of this letter with the F. B. I. and Police Department.

Order your copy of ZIONIST WAR-MONGERING—which so aroused this Jew's ire. Price \$1.00. (See St. John 8-44.)

MEMORANDUM FOR MR. NICHOLS

RE: MRS. JESSIE W. JENKINS
 THE NATIONAL PATRICK HENRY
 ORGANIZATION, INC.,
 COLUMBUS, GEORGIA

There is attached a letter from the above-captioned individual setting out her belief that air fields might be put up on privately owned ranches in the Southwest. She states that King's Ranch in Texas "as you probably know is owned by a group of wealthy New York Jews." She also states that Fort Benning is "packed with Jews."

G. I. R. -3

Mrs. Jenkins sent a copy of her letter to the Director to Mr. Gordon Gray, Secretary of the Department of the Army, and enclosed copies of her letters to General Omar Bradley and Lieutenant Colonel Leonidas Cavalos at Fort Bragg, North Carolina.

File 105-10101 contains information about Mrs. Jenkins and the National Patrick Henry Organization, Inc. This is described as a purely local organization. Mrs. Jenkins was arrested on a robbery charge at Columbus, Georgia, in September of 1947. The letterhead of the National Patrick Henry Organization indicates Mrs. Jenkins and her organization are anti-Jewish, anti-Mason, anti-Negro, and anti-Communist. Her letter verges on the psychopathic.

RECOMMENDATION: That this communication not be acknowledged.

Respectfully,

M. A. Jones.

Dear Gen. Bradley: -

The enclosed is self explanatory, and I renew my request with all the earnestness at my command, to have a thorough investigation of Jewish officers in commanding positions as well as adjutant general's offices, ~~where they~~ seek to seduce honest citizens as an excuse to justify quashing their claims.

For the sake of both God and country, please don't make the mistake that the traitors Eisenhower and Marshall have -- of knowing to fury at the expense of this nation and the greatest people on earth.

If I could convey to you only the minutest part of what I know about the Jewish conspiracy, you'd probably ~~be~~ ^{be} 5-10-15 my knees for giving

the alert

There is an example in the case of W. Forrester. He was formerly the willing tool, having been put in by the "New York" clique. But some patriots went to work on him, converted him and he set about trying to accomplish that which he knew was necessary. They couldn't take his turning on them, so they hounded him to death.

But your position is different -- you have the whole army. Or do you? How many Jewish traitors are in a position to sabotage our defense as they did in the French army? Remember this one thing always: the army of the U.S. belongs to the people whose money supports it. It is their duty and they have never fallen down or tight ening up the belts when necessary.

The situation in question has been under observation for some time. Moreover, I deem it of the greatest importance to formulate such regulations as will eliminate such.

With all good wishes.

Sincerely — Mrs W.E. Jukes

With regard to yours of July 15th in which you mention having received a request from Gen. Bradley's office in reference to my letter of May 30th I wish to state that I meant to present the actual picture prevailing in army circles and certainly wasn't soliciting the General's aid in collecting a bill.

However, both of you seem to have missed the point which is regrettable since it is a matter of such consequence.

The practice during the last war of the "superiors" of white washing and even helping these privates and non-coms (even a few officers) to beat honest citizens out of their just accounts was for them the indying ill will of a large section of our populace.

Since when has it become the policy

of the officers of the United States Army
to take orders from men like [redacted]

[redacted] That, in effect, is what
your proposition amounts to and
I wonder how long it will be before
the same privates will be giving
orders of a serious nature.

When their superiors flaunt our
laws in flagrant disregard, we cer-
tainly can't expect them to love,
obey and cherish them. I'm thinking Rome.

This man had a lease. He broke it
moving after darts, without giving
any notice as required by our laws.
As a result, I lost several days (12)
days rent putting the place in order,
repairing damages, advertising, etc.
But you will please note that only
the vacancy time was charged and
that is a legal charge where any
written agreement exists. In fact, we
can close a place up for sixty days and
 sue for the full sixty days vacancy.
I have never done so, as I do all
ways counted on obtaining settlement.

on the basis of justice and fairness -

I should ask about \$5.00 extra for all the trouble it was to me to clean up the mess he left, much less the dozens of letters I've had to write, the times I've had to go to the power co. to try to stall off payment of an account that was not mine and for which I did not have the money. But I have had to pay it any way at very great personal sacrifices.

So, your suggestion that I accept \$0.00 on a \$30.00 plus light bill which he was foolish enough to run up probably figuring he'd get out of it some way, as no one else who ever lived there has ever had over \$0.00 to \$6.00 and mine usually runs about the same is beneath the dignity of your rank.

I have the lease and a copy of the bill, and if I were not a just obligation I would not keep writing for an investigation into this situation as well as for a settlement.

I have also placed the situation be-

for the Armed Services Committee
and the Un American Activities Com.

I also think the FBI should have
a record for their files.

Those fellows come in here and tear
tables, chairs, lamps; break up dishes
burn up cooking utensils, break up
or carry off light bulbs (as some re-
fuse to furnish them); then when you
tell them they'll have to replace or
repair, they laugh in your face and
say: "we've got the whole army at our
back".

Of course, they can keep up their devilry
as long as their officers become their
obedient accessories after the fact.

That isn't all... if you get a couple
of drunks and want to get them out
they will go down to OPA and make
up any kind of lies and come back
and thumb their noses at you.

That is cold facts

Now why should I accept a situation
of the account of such a man?
Will you please tell me your thoughts?

Sincerely

Mr. J. Edgar Hoover
Washington, D.C.
Dear Mr Hoover:-

I have been moved to write you because it seems so strange that our Senators and Congressmen appear to be in such a fog about all these security leaks.

They don't seem to realize that the Jews are the real enemies, and that Russia-their homeland, NOT Palestine-is only a screen; that Stalin is their modern Genghis Kahn.

If you can get this through their heads of these with whom you have been in conference, then I think you may be able to map some defense. But you must recognize the fact that it WILL NOT BE POSSIBLE as long as there is a single Jew around-for it is my firm belief that every Jew is a self appointed spy, whether he belongs to ADL's nest or not. Some things that I have said or done here has been known in New York in a few hours.

In the days of Rome it is claimed every third person was an informer. In times past, nations have found that it was necessary to expel the Jews. They have been the vampires of all nations. They had bankrupted Spain and Queen Isabella's interest in Columbus' proposition was predicated upon her hopes of some "discovery" that might enable her to rebuild her country's fortunes. The Jews were expelled the day after he sailed. But the "money lenders" slipped a Jewish sailor aboard. So, from that, we may judge that they have had designs against this country since before it was born. Hamilton poignantly reminds us in the Federalist of their obstructionist tactics against ratification of the constitution. And now they propose to destroy it altogether, and put us under a World Government, with another Genghis Kahn-whether Stalin or Baruch, or Frankfurter.

If you will consider what they have done to all other countries before our own eyes; how millions have been murdered, other millions starved, as the Germans are being starved (I have been helping one German family for three years, and have letters showing how terrible it is--and Mr McCloy is just their tool: I think he ought to be hung); how they are bleeding our own nation; how they have already ruined Britain white, and are getting practically all our funds and resources under the fake Marshall Plan, it shouldn't make you shudder at the thought of what they are doing. The same gang (of which Lendens Roth, and his associates, and Laski) which have wound their chains of shlockery around our government, and control our government. That is why we, of the Patrick Henry Club, are pushing for Mr. Truman's impeachment--to clean out the Rheders scholars and Fabians) network.

I have had a lot of information attributed as a Russian agent--with this seems to fit David-alias-Nile.

Has it ever occurred to check him? Leeb-Lehman-Baruch-Morganthau-Roth thought to be a top figure in B'nai B'rith, and appears to have taken part in the Italian Carbonari; the same the same Circle and the Union League (black and the assassination of Lincoln.

These top conspirators should be exposed, and all the rest expelled, and war making potential; then we can have peace, and turn the world to save.

Major General Edward F. Witsell
War Department-Adj.-Gen.
Washington, D.C.
Dear Sir:-

Your letter of Jan 25th, only confirms my original convictions for which reasons I have pursued this matter thru all the channels that I might have concrete evidence. I am not at all surprised, except for your unabashed chirping of the "white washes" of which I complained with too many Jewish officers in strategic positions. This you do not deny. Maybe you know why practically every army post in the country is cursed with a Jew Adjutant-General.

As I pointed out, every officer from lieutenant to general, who aids a man guilty of committing such crimes against the citizens from whom his pay check is derived, becomes an accessory after the fact, and is contributing to the approaching anarchy in our land.

Quoting from your letter: "It has been determined that Cpl. Stephens has offered a reasonable sum in settlement of HIS OBLIGATIONS" (which you refer to in your opening paragraph as alleged indebtedness).

By whom was "a reasonable settlement determined, General Witsell? Do you consider 10.00 a reasonable settlement of an utilities bill of 30.74 which I HAD TO PAY THE POWER COMPANY to "keep the good faith", because he committed an offense against our laws in charging this bill to me--for which you have had bills from the company, plus a statement from their auditor? Besides, General Witsell, as you know (as a matter of record) this man also jumped a lease, leaving his house a shambles, and owing a balance of 22.92 in rent. Are you deliberately promoting such policies, instead of seeking to correct the existing evils which I have thus brought to your attention, in that good hope?

I believe this proves General Witsell, what I have already pointed out--that Jews are not fit to hold any position in our armed services, perhaps not even yourself.

My further opinion is that their first allegiance is to their Russian Israeli, which they propose to turn into a world government, scuttling the American constitution and flag in the process. So it is hard to see how they can be classified other than traitors to our land, hence PERSECUTORS AND DESTROYERS of native Gentile citizens.

If you are an loyal American, you would lend your good offices to cooperate; but remember: "by their fruit we shall know them"-----

For this reason, I am making the suggestion that our army be turned up on them, as having invited it, and thus put an end to this threat to another world holocaust, because "it is all planned that way".

Sincerely,

Mrs. W.E. Jenkins

It is hereby respectfully urged that General Witsell, the Commanding General of the 82nd Airborne (name unknown), Captain Robert Dunham of Fort Benning, the Post Adjutant General, also the Adj.-Gen. at Fort Bragg and Lieutenant -- Repsik be removed from the armed services; that an investigation be made to determine the extent of such a situation, and apparent potentialities for sabotage.

FACTS *Regarding the* **YOU** *Should Know* **Community Chest**

DO YOU KNOW that this COMMUNITY CHEST was originated during World War 1, by Political Zionists in America, as a source of finance to further their organized relief efforts in aid of their brethren in war-torn countries, and to advance their plan for the establishment of their Jewish Home in Palestine? It became known as a War Chest; however, in times of peace it automatically becomes popularly known as the COMMUNITY CHEST.

DO YOU KNOW that two Philadelphia Newspapers have referred to it as the COMMUNIST CHEST?

DO YOU KNOW that many of the founders and executives of the various Political Zionist movements in America are directly and indirectly identified with World Communist Ideologies? That the Anti-Defamation League is a brain-child of B'nai B'rith and acts as its secret police department in fostering Political Zionism throughout the world. That their ultimate purpose is the destruction of the Christian religion. Witness their attempts to outlaw the teaching of Christianity and to abolish any recognition of Christmas or Easter in the public schools of America. (You have only to read their own Press.)

DO YOU KNOW that for the purpose of obtaining unity of action in COMMUNITY CHEST Drives, these Political Zionists, through their B'nai B'rith affiliates, have divided America into Zones in the several States and their sub-divisions, and placed them under the direction of pivotal men and women in strategically advantageous positions of influence in Commercial, Industrial and Financial fields, bringing their pressures to bear upon our President, Governors, Mayors, Chiefs of Police, Postmasters, and other public officials? In the words of these Zionists, "A MARVELOUS NET IS THEN WOVEN THROUGH WHOSE MESHES NOT THE SMALLEST FRY CAN WRIGGLE." Don't take our word for it, see Henry H. Rosenfeldt's book entitled "THIS THING OF GIVING". It is revealing beyond ordinary belief with respect to their exploitation of Christian American charity.

DO YOU KNOW that from funds of the COMMUNITY CHEST, Jewish Refugees are set up in competitive business in the several States of the United States? (See "Jewish Exponent" 7-9-48, page 14, entitled "Extending A Hand To The Little Fellow").

DO YOU KNOW that with funds of this COMMUNITY CHEST — Music, Dancing and Arts are sponsored and taught in classes where many active and prospective members are of the Communist stripe? These COMMUNITY CHEST Drives have already been represented as a means, Nationally, of providing medical care to the needy, feeding the hungry and clothing the poor in America. As a patriotic organization, militant when necessary, our hearts and pocket-books have ever been found wide open for such worthy causes. We are startlingly astounded, after careful research, to find that, in very substantial measure, the proceeds from these National Chest Drives are channelled away from the charitable needs of America's poor and needy and into the control of foreign sources, beyond America's bookkeeping.

DO YOU KNOW that through the channel of the COMMUNITY CHEST, and substantially used for the above purposes, there were raised or otherwise extracted from the charitable pockets of the American people in 1948 the startling sum of ONE HUNDRED AND SEVENTY-SEVEN MILLIONS OF DOLLARS? (Consult any Public Library for verification of this sum). In view of the above discoveries, how much longer should your employer continue to coerce and intimidate you to support this COMMUNITY CHEST when it would seem that they, themselves, are either misinformed or uninformed concerning the disposition made of these funds apart from ordinary and worthy charitable purposes.

WAKE UP, MR. AVERAGE AMERICAN, START ASKING QUESTIONS ABOUT WHERE YOUR CHARITIES ARE GOING, REFUSE TO BE REGIMENTED UNDER THE GUISE OF CHARITY. SUPPORT YOUR LOCAL CHURCH CHARITIES IN AMERICA.

Dear Senator McCarthy:-

May God Bless you-for your diligence and forthrightness
in behalf of our beloved homeland and its helpless millions.

Patriotic "defenders" have long wondered why ~~anybody~~ ^{anybody} should undertake
what you have done, and I hope you will press this matter right on to the
bars of justice.

I don't doubt that the repercussions will be terrific. But just be assured
that you are right and 150 million troubled Americans are at your back
and will heed your call, if necessary.

It is time that we recognized the real enemy behind his "communism" or
any other name, as world revolutionaries as far back in history as Bar-
rukelled "Semites", then overthrew of Egypt in 1700 B.C. All of Bible
history is a record of wars and more wars, and they have been the insti-
tutions of practically all wars of history, beginning with the overthrow
of the Persian Empire, 515 B.C.

Then it should be easy enough to determine who the enemy is by noting
who is behind U N which is only a front for an espionage network, and
furnishes the machinery for setting up the Rothschild-Oppenheimer-Barnes
Warburg-Frankfurter-Lehman-Kuhn-Leeb, Lilienthal, Morgenthau, Cabot, World
Government.

The Genocide Pact is to tie us in such knots we can't defend ourselves,
and any one promoting, advocating either of these Zionist schemes is
a traitor to this country, to whom our conspiracy laws should be applied.
No matter how broad their smile, or how fine their feathers, we know well
enough what they did to millions of Gentile citizens in Russia and are
still doing everywhere else, behind the iron curtain and now they are
starving --not only the Germans, but the British, too. b7C

organizations enemies of our country, and subject to arrest.
Declare martial law, and call upon all citizens and law enforcement offi-

We can stop this threat of another world holocaust by taking the bull

ADDENDUM
For Your Information

What most of our leaders up there and elsewhere seem not to understand is that when Kuhn-Loeb and New York's East Side Jews overthrew the Russian Government, they put into effect the age-old program of extermination and concentration. It followed the same pattern by which the Persian Empire was overthrown in B.C., which gave them control of Russia.

If you will recall the Roosevelt speech given at Yalta in Teheran I hope you can see the significance of his probably ordering Hiss to sign away so much territory to their steel pigmen-Stalin. It was at Teheran that through the treachery of Mordecai who had managed to get all Jewish chamberlains into the palace--these probably were instructed as to their parts--the head man, the cup-bearer made them drunk and got their spurious decrees by which they gained control of the government, and world domination. They immediately began the slaughter of the Gentile Persians, killing in cold blood, 75,000 in one day, plus over 800 government officials.

To me this indicates a rather extensive spy network even that far back and I am sure you recall that toward Rome's decline it has been recorded that every third person was an "informer"--as it is in Russia today.

I have found that the fall of every empire of history has followed the same general pattern with only slight, tell-tale variations; the same that we can see in effect around the globe, and is to the letter in accordance with what is now called the plan of the Elders of Zion (The Protocols).

It is being spearheaded in our country by the same Kuhn-Loeb Co. and associate, which includes Lehman Bros., Dillon Reed, Lamont, Morgan Co. the Rockefellers, the Carnegie interests, and is said to be a branch of the Rothschild Banking House of London, who has instigated all the wars of history since about the twelfth century.

The old father adopted the red flag about the time Columbus discovered America. They bankrupted by getting control of her quick silver mines--her chief source of revenue, and were exercising too much influence in her affairs. Queen Isabella pawned the crown jewels in a desperate gamble to re-build her country's fortunes. She EXPELLED THE JEWS the day after Columbus sailed.

But the wily money-changers slipped a Jewish sailor aboard one of his vessels. So, we may conclude that they have designs against our country since before it was born. Their strategy is to take over a country and destroy its natives; flood it with some of their own blood affinity or negroes (Africans)--and it was Jewish slave-traders that brought them here that are too dumb to outsmart them and whom they can drive to do their work.

After they have completely gutted any such subjugated land, they are, like the vultures they are, looking for new fields for exploitation. It was the Rothschilds who hired the Illuminati, later glamorized as "philosophers", to foment France's revolution, 1789, partly in revenge for having been driven out by Clovis in 481 A.D., and because France had begun to blossom like a veritable Garden of Eden. They have dominated that hapless country ever since--and that has been accomplished through INDOCTRINATION WHICH BEGAN UNDER THE MALICIOUS INFLUENCE OF THE "philosophers"--also called Enslavedists.

It was during this period that Mr Jefferson spent much time in France and became so ardently pro-France, like so many good people have become pro-Russia. He was a great admirer of the "philosophers" and became their unsuspecting tool in accepting the role of standard bearer of the "democratic" party, their chief instrument of exploitation.

However, our so-called Republican party was also introduced from France where it was called "Socialist".

In the Jewish view books --

In the Jewish Year Books and Almanacs, we find that all Jews are "socialists", and that Russia is their homeland--not Palestine. It is true that God allowed the Israelites to occupy it for a time, because of the promises to Abraham--who WAS NOT A JEW. Israel means "believer"--that is, one who believes in Christ--and not a tribe. It was applied to Jacob because he became a believer in the promised Messiah after the visit of the angel.

The fact that they have been able to perpetrate such a fraud in obtaining Palestine, shows to what extent they control the British Government. Their decline began under Disraeli, who was maneuvered into his post step by step, by Emil Rothschild, and a certain Lord Rothschild is head of her labor government. They doubtless are getting the bulk of our land lease, or BGA gifts, and that accounts for so much of it going to Russia. Baruch is said to be connected with them. He is also thought to be the Grand Orient of Free Masons, which is the foundation stone of organized labor and communism--both synonymous, in the final analysis.

That was the outstanding contribution of Karl Marx; he made organized labor a part of the conspirational creed of the old Sanhedrin (of the Protocols), which is now symbolized by the politburo. B'nai Brith appears to be the American politburo, replacing the old Carbonari of Europe, which succeeded the Sanhedrin for a time. A C. and its other affiliates, including NAACP, appear to bear the same relation to Brith that the Knights of the Golden Circle and the Union League (black zastepo) bore to the Carbonari during the Civil War. You recall that it was the Republican ("socialist") party which promoted that war--under Rothschild direction.

By the way, the Oppenheims are connected with them; also Warburgs. You know that it was Paul Warburg who engineered the Federal Reserve Acts thru Congress which has given almost unlimited power over our money system--hence the power of life and death, plus the atom bomb in their comrades hands. No wonder Russia got our secrets! Maybe she has our bombs too. We NEVER in the world can plan any defense or expect "peace" until we recognize the JS for what he is: "a liar and a murderer, from the beginning," just as Christ said: John 8:44

There is just no sense in our trying to make believe that they are otherwise when all history--past and present--PROVES them bloody murderers. Let us stop laying everything on Stalin; he is just their modern Bengele Kehn. Either Baruch or Frankfurter placed at the head of a World Government would be equally as beastly toward Gentiles.

Let us stop being polite, and start treating them like the Bulgarians treat people they think know too much, or, standing some of them up against a wall.

It will take a little courage--but I am not willing, yet, to believe that our leaders have been intimidated so long; they have lost all courage and the will to arouse the entire populace to pledge their "lives, their fortunes, their sacred honor" in defense of our beloved homeland.

Dear Friends:

It seems that we are going to have a lively race for the governorship this year, and that a message from me is in order.

So, I want to make it clear from the very beginning that I am NOT SEEKING that "job", or any job, or anybody's money — though I am calling upon every right thinking citizen to support my fight, both morally and financially.

For more than five years, I have fought the good fight for the good old U. S. A. and Old Glory, spending my own funds — without reserve — in the effort to help preserve a free, Christian America, for all. The little seed I have been sowing are now bearing good fruit—but not enough. The reason is that we DO NOT HAVE the needed, honest, courageous, Christian leadership.

Our battle today is the fight of every man, woman and youth who professes the name of Christ, against the foes of Christ and our Country. After years of concentrated study, I've reached the conclusion:

1. That many of our former leaders feel that they are no longer able to cope with the aggressive young leadership, practically all in the new liberal columns.
2. That much of the young leadership, unbeknown to themselves, have absorbed more of the taint of idealism than they realize, no matter how sincere;
3. That this is the answer to why many clubs, civic, cultural, PTA's and religious groups, which decry "politics," are nevertheless, carrying out some phase of the "socialist" program: that is also being promoted from so many pulpits, that others are afraid of being criticized if they speak out—all of which helps the foes of Christ;
4. That our leadership today MUST be Christian, with a thorough understanding of the fundamental truths upon which the eternal verities and all Christian civilization rest;
5. That we have almost reached the saturation point in INDOCTRINATION, now, and after three years of futile efforts to get it out of our schools, I have concluded that it is because of this self-same reason;
6. That we can NEVER EVEN HOPE to conquer this chimaera called "communism" until we root out of our schools and that is our major task for immediate action;
7. I am for better schools, and believe we should strive toward a goal more Berry type schools, and, for better rural community facilities to encourage a "back to the farm" policy;
8. I am for the full development of Georgia's industrial potential, her natural resources, her port facilities—and of course, good roads, and the elimination of waste and incompetence, all down the line
9. I am staunchly committed to a defense of States' Sovereign Rights, our traditions, and all our institutions;
10. I am for tax reforms—TO REDUCE property and income (or corporation) taxes—in accordance with the "justice for all" guarantee of our constitution, for a greater Georgia, toward a greater America, First, last, and ALWAYS.

Sincerely,

Mrs. Jessie W. Jenkins

P. S. This is my personal message to every Georgian. To every individual, every paper, every club and group, I urge that each assume the responsibility of getting it into the hands of every one—and that all who will, please come forward to help me in every possible way.

The foes of Christ are organized and united; they are, as always, aggressively busy.

The minds and hearts of our youth are our most priceless treasure; they must be saved at all costs.

What better missionary task can we adopt than to point the way for the entire nation?

My dear Mrs. Jackson

I will be glad to do what I can to help others to understand, but I am not too sanguine about that, since I have been placed in some sort of quarantine or coventry where my opinions are ridiculed, and bear no weight--altho for the moment, the vicious, malicious personal persecutio and confusion against myself and children have been somewhat ameliorat

My most shocking discovery was that the Catholics were/are as native as any other group, and make up a large proportion of the trade union crowd - under, chiefly, Catholic and Jewish leaders, with a LARGE NUMBER of ~~FRANKPHIL~~ in the public schools, and in some instances from the colleges (furthering NAA and "union" policies??)

Most of these are graduates from Catholic schools, and in some instances, from colleges; also, from state colleges-universities. The International American College, and Springfield College, where many finish up after teaching a few years by studying inter-group, inter-racial courses and group activities courses, community organization, propaganda analysis, and given a MASTER'S DEGREE IN EDUCATION - taught by many "educators" from Columbia University Teacher's College, or their local disciples.

What do you think of the enclosed copies of clippings from today's Springfield Times, as an outline for a slick scheme to organize our nation down to the smallest community on a bi-partisan basis, without the individuals having the slightest suspicion of what is being done to us the same as in Russia Europe, so far as our influence and right to meddle extends.

The trouble with people who can be fired with patriotic zeal is that they become so absorbed they forget themselves, and don't get proper rest. I do hope that you will take it easy.

I was reading just yesterday, I believe it was, that Paul Mallon, the columnist, had died at the age of 49 years. He was the author of "The Kase Era", The Juvenile Oligarchy, and the Educational Trust, and had been subjected to a lot of persecution and sneers by the "progressive educa-
tors".

I wonder if that hastened his death. I remember his last columns were so happy he couldn't be "mad" at anybody who was going fishing. This was shortly after his expose of the progressive "educators" method in Birmingham, Alabama and elsewhere.

The writer of the above letter has written a very intelligent brief on the "Springfield Plan"--about which we have heard so much, but NOT OF THE LEGAL FACTS. It is an outright Communist plan which makes no bones about being the pattern for the entire nation.

Of course, all are forced to treat the Negroes on an equal basis, and those who merely try to be themselves are persecuted and harassed to distraction--both students and parents. Its policy appears to be: Confer OTHA--New Supreme Court ruling; was calculated to enforce such a policy. The Supreme Court is dominated by "Aish-Pollin Transferer--Shanin."

Dear Mr. Peters:-

I presume you have already noted Judge Conger's Socialistic bluntness--which is characteristic of the whole "New Deal" cult.

I suppose that you have also noted that the majority of these Federal Judges seem to hold that it is their duty to "change our social order", rather than uphold the constitution, which they're pretending to defend. So they must continue to lick the boots of the machine that seated them so they must continue to lick the boots of the machine that seeks to perpetuate itself in power, irrespective of the will of the people.

Now, I hope you can see the utter WICKEDNESS of ANY machine that seeks to perpetuate itself in power, irrespective of the will of the people. If we could devise some apparatus which would eliminate greed, selfishness, personal ambitions, and corruptions, then I'd say: "Well and good". BUT, we can NEVER have it, as long as we have men who fight all such efforts in that direction, and SO WE HAVE ARRIVED AT THE PRESENT CRITICAL STATE, with all PARTY machine men BOXING and CORRUPTING-like mice--before our DESTROYERS! like the new off-campus nigger colleges, and UPN!

With men like Judge Conger getting the benefit of the Marxist controlled press, tossing their influence around, how are the people ever to understand who is right and who is WELL?

It all comes back to my arguments from the beginning. We MUST change situation in the schools, REFORM LIES of the says MARXIST. WHAT. There is NOTHING we can do that will so thoroughly arouse the people to a sense of their betrayal as UNCOVERING this CRIMINAL CONSPIRACY against our youth and our land--IN THE US EDUCATIONAL INSTITUTIONS.

Now, I haven't given three years of my time and HUNDREDS of ill-spaced dollars just to hear myself talk. I have six of the most adorable and the most talented little grandchildren any one could ever hope for. I am FIGHTING TO CLEAN OUT ALL THIS WILSON before any of it gets into their heads; so, I have to fight for MY GEORGIAN and EVERY AMERICAN, save them from any contamination.

As I have said before, again and again, there is absolutely no sense in our being pushed around by any loose talk of FEDERAL JUDGES, NOT EVEN THE SUPREME COURT, dominated by Socialist Felix Frankfurter, against whom impeachment charges have already been filed, and considered a red traitor.

The present red-dominated Congress will not act upon it, but the people should know the truth, so they can demand his execution, instead of having our rights and liberties infringed, because those who act them--given up as our leaders CHOOSE before his Politburo edicts.

The only answer to this question of "the color problem" is to apply the 14th and 15th amendments, depriving "aliens" of Asiatic and African extraction of the franchise--as undesirable citizens, anyway.

They were remodeled into just such a Congress as we now have, by agents of the Rothschild clan of London, who plotted and promoted the Civil War and who have maneuvered us into every war we've ever had.

So either have the manhood to do it, and GOVERN OURSELVES without any dictation from this murderous gang of INTEREST NATIONAL CONSPIRACY. Or, we die, and the sooner we have a SHOW DOWN, the better for all concerned.

If you will read the enclosed, maybe it will put a little stiffening into your backbone, and stir your conscience, in the face of MY OWN NO RESISTANCE upon our shoulders for FOR MACHINE and MARXIST TOOKS. SAY TO THEM:-

We cannot leave it to the "educators". They know only what they have been taught--and for the past half century, that has been MARXISM. This is not surprising that many people are

now conceding that the negroes are entitled to "social equality". If we proceed with M. F. E., we will never get the situation in hand.

Dear Senator Connally:-

It seems to me that you are going much too far with all this talk of committing our country to an "Atlantic Union" with bankrupt nations we are already supporting-which is, as you surely must know, one of the deceptive catch phrases to inveigle this country into a world Government, by which its sponsors expect to enslave every American.

What I'd like to know is why you have the gall to even consider such a thing; then continue to appropriate our taxpayers' money to fight Truman's UN-SECURE war-which "they" probably ADVISE him to start-over the head of Congress, to scare us into voting for the final links of their chain of Shylockry, including U.N. and absolute controls. Imagine a man like Harry Truman holding the destiny of this nation and its people in his treacherous hands, when he has never served anything but Zionism!

I think his consuming obsession to be a "dictator" obscures the possibility that as soon as the reins are firmly in his hands, that they will probably keep him off, and move in to begin the wholesale purge.

For men who are supposed to have the intellect to legislate for us, we must conclude that they are either "too dull", OR, are deliberately playing ball with the promoters of this Zionist scheme to set up a Bolshevik dictatorship, after the Russian pattern.

Don't you know that "communism" is a world-wide Zionist conspiracy, to cover themselves, while such old scoundrels as Bernard Baruch, Herbert Lehman, Felix Frankfurter, Henry Morgenthau, David Niles (Russian Heyhaus), Leon Keyserling, Rep. Celler, et al. worm their way into positions to carry on their treasonable activities--which Truman is protecting? Look what they've done to Europe, now China, and Indo China, much less the proud BRITAIN!

Now that we are in a "communist" made war (to preserve the dignity of THE IRON CURTAIN in Washington to determine who is responsible, and certainly no Atlantic Union can add one iota to our stature, or security, much less save us with OUR TRAITORS pulling all the strings.

Mr. Connally, aren't you aware that some of these men--for example, the Barburs (who are spending millions to put it over), and Baruch, are credited with being members of Mann-Loeb Co., which plotted and financed the overthrow of the Russian Government in 1917. It has been claimed that Mann-Loeb is a branch of London's Rothschild Banking house--the world revolutionists who plotted the war of 1912, then our Civil War? In fact, every war we've ever had, and that Lord Rothschild is the invisible head of Britain's Labor Government, and into whose hands we have poured our billions of dollars, and fabulous quantities of food and resources.

It was brought out on the floor of Congress a year and a half ago that England was sending the steel we shipped her to Russia, and "that we are arming some nations that will turn those arms upon us". Now the reports state that the new Russian tanks are made of US steel and are designed by German experts who were barred from this country by our bunglers up there; that the North Korean (Russian) army seem to know our every military move in advance. And we have't severed relations with Russia yet, but force our boys to fight under the Marxist U.N. FLAG!

Certainly they know, because the traitors right there in Washington are keeping them informed. They are sitting on our atom bomb, too, and it is folly to think we can plan any defenses as long as they occupy all

10/5-1/1 1-1/1 3

key positions, and are protected by both Congress and the President.

The irony of this fatal situation is that it is this murderous gang of Internationalists, who have usurped CONTROL OF OUR MONEY SYSTEM thru the Federal Reserve Net-railroaded thru Congress by Paul Warburg of the Kuhn-Loeb-Rothschild, Morgenthau, Lehman-Barnack-J.P. Morgan cabal, in 1913, no doubt with the avowed intent of maneuvering us into the impending war I, and to force its cost upon us, as was the last war.

And this swindle against our government was implemented by the 16th Amendment-the Federal Income Tax law, to filch from the people the money they earn for their daily bread-to pay for the Zionist conquest over the whole world, including ourselves. Is that what you are helping along when you continue to appropriate money they expect us to borrow from them-after our government prints it and turns it over to them-to pay them interest, to fight Truman's undeclared war under the Zionist UN flag? Then, and by what authority have you scuttled the Constitution, which is the Supreme Law of this land?

It is time for the people to rise in revolt, and hang the last one of their betrayers, as per Article II, Sect. IV of the Constitution and Art. II of the Bill of Rights; then FORCE Congress to OBEY the LAW, and issue our own money--to respect their oaths of office.

Put the proper label where it belongs, and get the cursed Zionists out of our government, the atomic commission, and the ARMY, NAVY, and subverting our defenses--and end this treasonable talk of any kind of a world government, which proposes to scuttle our constitution and our FLAG. We have enough to do to get out of all these Zionist traps and mind our own business, allowing others to do the same without our meddling.

We can not lie down with dogs without getting their fleas; the Cross or Christ and the glorious old stars and stripes will either stand together, or go down together. Which shall it be?

Marx said in Coningsby in 1845, while the Rothschild hirelings-Karl Marx, Engels and Charles Darwin--were hatching their world wide "communist" revolutionary movement, which culminated in our Civil War, among others; "The world is governed by very different personages from what is imagined; by those who are not behind the scenes." Aren't we able to govern ourselves, without ALIEN advisors and pressure lobbyists?

For your information, the Rothschilds adopted the RED FLAG (secretly) after ~~bankrupting~~ soon after being expelled from Spain--after bankruptcy, and prostituting her through their poisonous propaganda and fevered mongrelization, and have instigated practically all the wars of history since before Columbus discovered America.

But there is no reason why 140 million good Americans should be enslaved, and liquidated, our civilization destroyed, to satisfy the avarice and greed for power of these modern vandals and tyrants.

The late Mr. Henry Ford said: "Corral 50 of the world's richest Jews and there will be no more wars." I say execute them for their crimes against all humanity, enveiling our country into their wars, as partners in the slaughter and enslavement of other innocent, peace loving nations.

If Spain and other nations could expel them, we should execute the chief conspirators, confiscate the property of all and send the rest back to their beloved Russia. If they love the "Russian" way of life better, they should be happy to go, and leave us to enjoy our own in peace. This is mild punishment for their crimes against us, among them this communist propaganda in our schools perverting the minds of our youth.

Dr. John Kitto, eminent evangelist and author, says in his History of the Bible: "The Israelites were THROWN OUT (not "broke off") of Jerusalem, and ordered never to return. The reason was that their PROPENSITY FOR SUBVERTING ALL INSTITUTIONS was such that even their best kings could find no means of coping with them."

Get the pink-slips out of our pocket books, and END these wars--Your re-action will be awaited with the keenest interest.

Sincerely,

"Let us raise a standard to

Attached herewith are four pamphlets entitled as follows:

1. ~~"America is Calling You"~~ by JESSIE W. JENKINS.
2. ~~"Report of Conference, National Patrick Henry Organization, Incorporated."~~
3. ~~"America Goes Communist."~~
4. ~~"That Evil Genus: Democracy,"~~ by Mrs. JESSIE W. JENKINS.

It is noted that although items 2 and 3 do not contain the by-line of Mrs. JESSIE W. JENKINS, they appear to have been prepared by her.

All four pamphlets were presented to an agent of this office by CIC agent [redacted] who said that they had been given to him by a soldier at Fort Benning. He said that he was giving them to the writer since they were samples of some of the material put out by Mrs. JENKINS.

It is noted that on the pamphlet entitled, "That Evil Genus: Democracy," Mrs. JENKINS describes herself as "candidate for governor of Georgia - 1950". Mrs. JENKINS was a gubernatorial candidate but was defeated decisively in the June, 1950 Georgia elections. She received only a few votes and was given very little publicity during the entire campaign.

These pamphlets are being submitted for the Bureau's information.

Dear Mr. Hoover:-

The enclosed is pretty raw, but it is so purposely; hoping to reach the grass roots. It is a dead certainty that the "college educated" INDOCTRINNAIRES are not going to rear back on their hind legs, as we are going to have to do if we save this country.

I do hope you have files on all the officials of B'nai Brith, ADL? The Anti-Nazi League, Friends of Democracy, and numerous other red fronts. Also ALL these Jewish organizations and publications.

If "they" start anything funny and the "AK" starts into action, please STAND BY THEM. They are 100 % American and have no other purpose than that of saving our country. I know some of the top lights, and they are the finest kind of citizens. They have been terribly abused and smeared because the ENEMY fears them so.

Now here is something I want to ask: Do you want any trustworthy women "investigators"? If so, I'd like to train for it. I do not believe there is much else the "patriots" can do in an educational way. The preachers, the press and the radio are all on the ENEMY side, and the people get this propaganda morning, noon, and night.

The school books are full of it; so, they think we are just "different". Take care of your health-and by all means, avoid eating out, if possible.

If you are looking for women trainees, you can notify the office here. Thanking you in advance, and with the best of wishes.

HON. JESSIE W. JENKINS

"Other misfortunes may be borne, or their effects overcome. If disastrous wars should sweep our commerce from the ocean, another generation may renew it: if it exhaust our treasury, future industry may replenish it; if it desolate and lay waste our fields, still under a new cultivation, they will grow green again, and ripen to future harvests.

It were but a trifle even the yall of yonder Capitol were to crumble, if its lofty pillars should fall, and its gorgeous decorations be all covered by the dust of the valley. All these may be rebuilt.

But who shall reconstruct the fabric of demolished government? Who shall rear again the well proportioned columns of constitutional liberty?

Who shall frame together the skillful architecture which unites national sovereignty, with States' Rights, individual security and public prosperity,

No, if these columns fall they will be raised NOT again. Like the Colliseum and the Parthenon, they will be destined to a mournful and a melancholy immorality.

Bitterer tears, however, will flow over them than ever were shed over the monuments of a more glorious edifice than Greece or Rome ever saw—the edifice of Constitutional American liberty."

if not the more thoroughly indoctrinated elements, who have become one of the most vicious pressure groups in our midst, employing the same pressure technique used by CIO.

Formerly, the various local Boards of Education determined what kind of schools they could provide; how many teachers they could employ and how much they could pay them, without bankrupting the taxpayers who have to foot the bills.

Doubtless it would be wonderful if mortal man could create here on this rugged old earth the dream world these non paying trumpeteers demand, whether "the poor taxpayer" can feed his family or not, and many have lost their homes, their life savings, to the tax wolves.

When I was in school, parents who had children, paid for their education, including BOOKS, pencils, and paper; "lunches" and transportation, OR, their children walked as much as four miles per day-rain, sleet or snow.

Before the propagandists spread their poison all over the place, and which has been so eagerly lapped up by those who could make capital out of it, nobody ever thought of providing COLLEGES for the segment which pay only 3 per cent of the tax load, yet receives 48 per cent of the total tax outlay.

It certainly is not required by our constitution, and there certainly are remedies-all provided for in the constitution itself—IF we can ever THROW OVERBOARD the COWARDLY and DISHONEST politicians who have to promise the sun, the moon and stars, to everybody—to get themselves elected.

It is YOUR MONEY they aim to swindle out of you, MR. TAXPAYER. If you don't have what it takes to rear back on your own hind legs, then you deserve TO LOSE YOUR SHIRT.

All summer long I campaigned against "communism" in our schools, and I say that the teacher who doesn't try to find out something about it is not fit to teach anybody's child.

THE MARXIST — ZIONIST PLAN

This plan for world conquest should be included for your information. But you can learn about it by joining the Crusade for Freedom for Americans, and surely you do NOT want to be counted with the betrayers—especially, of your own flesh and blood.

This is my last appeal to your patriotism, and your Christian integrity as I have sacrificed the last possible dollar, in my efforts to get the truth before you, FOR YOUR OWN GOOD.

Now, it is a matter of DO or DIE.

Go to the polls Nov. 7th, and make a resounding protest against the political deceptions, humbuggery, skullduggery and tax extortions for personal aggrandizements.

There is one matter on which I agree with the present administration in Atlanta.

Vote for Amendment number, 2, to keep the criminal New Yorkers out of Georgia politics.

Dear Mr. Hoover:

About three years ago when I

Then how is it that the FBI have

ENCLOSURE ATTACHED

IDEALS OF THE KU KLUX KLAN

I. THE CHARACTER OF THE ORGANIZATION

And here it is necessary to repeat briefly some things with which you are already familiar..

1. THIS IS A WHITE MAN'S ORGANIZATION, exalting the Caucasian Race and teaching the doctrine of White Supremacy. This does not mean that we are enemies of the colored and mongrel races. But it does mean that we are organized to establish the solidarity and to realize the mission of the White Race. All of Christian Civilization depends upon the preservation and upbuilding of the White Race, and it is the mission of the Ku Klux Klan to proclaim this doctrine until the White Race shall come into its own.

2. THIS IS A GENTILE ORGANIZATION, and as such has as its mission the interpretation of the highest ideals of the White, Gentile peoples. We sing no hymns of hate against the Jew. He is interested in his own things and we are exercising the same privilege of banding our own kind together in order that we may realize the highest and best possible for ourselves.

3. IT IS AN AMERICAN ORGANIZATION, and we do restrict membership to native-born American citizens. The records show that recently, at least, the aliens who have been flooding our land have come into this country, not because of any love for America, but, because of intolerable or unfavorable conditions in the land they left behind. They come to this country, not that they may contribute in any way to its growth and development, but that they may find opportunity to advance themselves and to serve their own interests. They are here to serve the interests of the land from which they came, regardless of the interests of this land in which they make their homes and seek their for-

tunes. They come to obey the mandates of governments of which they are still the subjects, even to the extent of endeavoring to break down the government under which they find protection while seeking their nefarious ends. In their hearts there is the tie that still binds them to the homeland; to them it is still the Fatherland. Their sympathies are still there; their thoughts have been shaped by the currents in the old country. They do not easily readjust themselves. Thus we find the groups: Irish-Americans, German-Americans, and all kinds of hyphenated Americans. What pleasure would they find or what service could they render in this organization which is distinctively an American-American organization? We have organized to engender a real spirit of true Americanism—that Americanism which is a system based on a principle of utter antagonism to monarchism, whether represented by emperor, king, potentate or pope.

4. IT IS A PROTESTANT ORGANIZATION. Membership is restricted to those who accept the tenets of true Christianity, which is essentially Protestant. We maintain and contend that it is the inalienable right of Protestants to have their own distinctive organization. We can say to the world without apology, and say truly, that our forefathers founded this as a Protestant country and that it is our purpose to re-establish and maintain it as such. While we will energetically maintain and proclaim the principles of Protestantism, we will also maintain the principles of religious liberty as essential to the life and progress of this nation, and we will vigorously oppose all efforts to rob the American people of this right.

II. RACIAL IDEALS

1. WE STAND FOR WHITE SUPREMACY. Distinction among the races is not accidental but designed. This is clearly brought out in the one Book that tells authoritatively of the origin of the races. This distinction is not incidental,

but is of the vastest import and indicates the wisdom of the divine mind. It is not temporary but is as abiding as the ages that have not yet ceased to roll. The supremacy of the White Race must be maintained, or be overwhelmed by the rising tide of color.

2. WE MUST KEEP THIS A WHITE MAN'S COUNTRY. Only by doing this can we be faithful to the foundations laid by our forefathers.

a. This Republic was established by White Men.

b. It was established for White Men.

c. Our forefathers never intended that it should fall into the hands of an inferior race.

d. Every effort to wrest from White Men the management of its affairs in order to transfer it to the control of blacks or any other color, or to permit them to share in its control, is an invasion of our sacred constitutional prerogatives and a violation of divinely established laws. Every effort to wrest from the White Man the control of this country must be resisted. No person of the White Race can submit to such efforts without shame. One of the sad facts in American political life is the readiness of so many politicians to sell their noble white birthright for a mess of black pottage. They would betray their race in order to win a few black votes.

e. We would not rob the colored population of their rights, but we demand that they respect the rights of the White Race in whose country they are permitted to reside. When it comes to the point that they cannot and will not recognize and respect those rights, they must be reminded that this is a White Man's country, so that they will seek for themselves a country more agreeable to their tastes and aspirations.

f. Purity of the White blood must be maintained. One of the crying evils of the times is the mixture of white blood with that of Negro. This evil has gone on since

Colonial days until perhaps more than half of the Negroes in the United States have some degree of white blood flowing in their veins. This condition is not only biologically disastrous but is giving rise to grave social problems. Mulatto leaders who, under present social conditions, are forced to remain members of the negro group and who aspire to white association because of their white blood are boldly preaching racial equality in all of its phases. The guilt for this state of affairs rests upon those members of the White Race who for a moment of sexual pleasure have betrayed their own kind and bartered their own blood. It has become necessary to devise some means for the preservation of the white blood in its purity, because, despite prohibitive laws, racial intermixture is continuing and the problem of mixed blood is becoming more and more acute.

III. CITIZENSHIP IDEALS

1. Development of the highest standard of citizenship. We ourselves must come to know what it means to be citizens of the foremost nation in all the earth. We need to have knowledge of the privileges and responsibilities and glories of our citizenship. And we need to be under the necessity of exercising our citizenship intelligently. We must learn and practice these things in order that we may teach them to others.

2. Rightful use of the ballot. Thank God, the day of partisan politics is past. Time was when parties stood for great principles. But today the difference between them is that of "tweedledum and tweedledee." One of the parties must be induced to champion great fundamental American principles that will hasten the development of our country, or else a new party must come into being. As the matter now stands we must cast our ballots for the right as it is most nearly represented and championed by men regardless of party.

3. We stand for the enforcement of law

by the regularly constituted authorities. This order does not take the law into its own hands and will not tolerate acts of lawlessness on the part of its members. Any man of any color or creed who charges the Ku Klux Klan with being an organization which foster and perpetrates acts of lawlessness and deeds of violence is either wilfully blind or is a malicious, slandering, lying fool who, because of some inborn prejudice, seeks to destroy an organization that is lawabiding, and that demands the enforcement of laws by those who have been duly elected to office. We are within our rights as American citizens when we demand of men who are put in office of trust that they shall faithfully perform the duties of their offices. It is quite evident that those who oppose us on this principle do not want the laws of our country enforced, and are seeking to cover their anarchistic spirit by impugning our motives and imputing criminality to us.

IV. PATRIOTIC IDEALS

The men of this Order stand for the purest and most practical type of patriotism toward our great and glorious country.

1. We take our stand upon the Declaration of Independence as the basis of popular government. This document denies the dogma of despots, the kings rule by divine right. It asserts that governments derive their just powers from the consent of the governed. It solemnly affirms the right of the American people to govern themselves as a free and independent nation—-independent of all outside sovereignty and control.

2. We believe in upholding the Constitution of the United States. This document reduces to practice the precepts of the Declaration and must be recognized as the supreme law of the land. It guarantees that liberty which must be cherished as the precious heritage of the American people. It establishes the freedom of institutions dear to the American heart. It guarantees religious liberty, freedom of

speech and of press, and all the rights that pertain to the people who constitute this nation. It depicts ideals and defines institutions that must be made real and kept secure. The Knights of the Ku Klux Klan are sworn by a solemn oath to uphold and defend this immortal Constitution.

3. Allegiance. We teach that the citizen's first and highest allegiance is to the Government of the United States. No other government, potentate, or person of any kind shall share in this allegiance. We maintain that a divided allegiance means no allegiance. There can be no half American, and any sort of hyphen absolutely makes impossible any kind of loyalty to the American government, its ideals and institutions.

4. We stand for the American flag against enemies without and within. We emphasize devotion to the flag of our country as the ensign of our American nationality and the emblem of our national honor. A man stands wholly for the Stars and Stripes or else to him his country's flag is only a dirty rag. We insist that no flag shall fly above our flag, and that no flag shall float by its side.

5. Neither domestic traitors nor foreign foes of any kind shall be permitted to destroy this nation.

6. None shall be allowed to circumscribe the influence and hinder the progress of American institutions on this continent. And this involves the welfare and development of the public school system. To those who seek to undermine or destroy this American institution we say, "hands off," and we will defend this institution against every enemy, whether it be political or ecclesiastical.

V. CHRISTIAN IDEALS

1. We magnify the Bible—as the basis of our Constitution, the foundation of our government, the source of our laws, the sheet-anchor of our liberties, the most practical guide of right living, and the source of all true wisdom.

2. We teach the worship of God. For we have in mind the divine command, "That shalt worship the Lord thy God."

3. We honor the Christ, as the Klansman's only *criterion of character*. And we seek at His hands that cleansing from sin and impurity, which only He can give.

4. We believe that the highest expression of life is in service and in sacrifice for that which is right; that selfishness can have no place in a true Klansman's life and character; but that he must be moved by unselfish motives, such as characterized our Lord the Christ and moved Him to the highest service and the supreme sacrifice for that which was right.

I have but suggested here a few of the many ideals of the Ku Klux Klan. Let us seek to make these real in our life and practice so that we may become bright, true Klansmen, and be ready for other ideals and principles as they shall be presented from time to time.

WE have been passing through the formative period of the organization, and now we have come to the period of constructive planning and activity. We must know what we are, and the things for which we stand in order that our activity may rightly contribute to the upbuilding of character and of a high-grade citizenship. The time has now come when the world will know the Ku Klux Klan in its true character. Before we can correctly interpret this Order and the things for which it stands we ourselves must know ourselves, and the principles and ideals of this Order.

COMMUNISTS ORDERED TO LABEL ANTI-COMMUNISTS: FASCISTS, HATE MONGERS, ANTI-SEMITES

McCarran Anti-Communist Committee May Investigate Anti-Defamation League

What is the real story behind Dean Acheson? Is he, like his lifelong friend, Hiss, a deliberate Communist? What is the power that has held him in the high office of Secretary of State, against storms of public and Congressional protest?

Dean Acheson

What is the real story behind General Eisenhower's six-year undercover campaign for the presidency? Why is his boomer, the Anti-Defamation League of B'nai B'rith, so determined to have him elected in 1952? This amazing maneuver on the great political battlefield was disclosed for the first time in Williams Intelligence Summary (July, 1951).

Eisenhower

WILLIAMS INTELLIGENCE SUMMARY has repeatedly revealed the answers, with documentation and analysis.

The monthly news letter whose masthead is reproduced above has become a must among business and professional leaders who want the fullest understanding of the current crisis in the briefest time.

Each issue of Williams Intelligence Summary brings you significant, often hidden, facts about momentous events in the making.

The author, Robert H. Williams, a native of West Texas, with quiet courage is tearing up the newspaper taboos and setting a new pace in news-letter journalism.

Mr. Williams is recognized as one of the foremost authorities on subversive movements. In 1942 he organized, trained and directed one of the largest Counter Intelligence investigative staff sections in the Army Air Forces, dealing first-hand with Communists, Nazis, Shintoists and every other variety of subversive. He is a contributor to Encyclopedia Britannica's Ten Eventful Years, a forceful and fearless lecturer and one of the nation's foremost political writers.

Williams Intelligence Summary and the Williams booklets (see reverse side) give you the basic facts behind the present world crisis, without which you cannot understand the day to day developments. Written succinctly, for the busy executive, they provide revealing, often breath-taking panoramas of world events, viewed in the light of history.

A minister, after reading one of Mr. Williams' booklets, wrote, "Now I not only understand what the Communists have been doing to us; I can foresee what they intend to do—and how they will go about it."

A lecturer recently said, "Unless the Communists win, the Intelligence Summary and Know Your Enemy will be read generations from now by historians who want to know what really happened in the year 1951."

The Williams booklets provide you with the basic facts; the Intelligence Summary brings you up to date on developments month by month, as the powerful contending forces

Dear Mr. Williams:

I have just read your January Vol. 3, No. 2 copy of your "Williams Intelligence Summary" and the Jan. "Williams Intelligence Summary Supplement", which impress me as the most intelligent and fearless summarization of the National and World confusion we are now facing.

Could you tell me whether the representatives of the House and Senate have received these issues and whether the commentator, Fulton Lewis, Jr. has received them, as his comments on Anna M. Rosenberg surely would or should have been different, if he was informed of the information set forth in your summary.

The three copies we get in our office are read with the greatest interest and passed on to others, but they should be read by at least our America First republicans and democrats so that they may not be deceived.

Sincerely,

If you can ignore the aspersions cast upon your character, your reputation in the columns of a controlled Press, if you calmly defy the Whispering drives started against you, if you can withstand persecution, smear, false accusations, even jail and torture such as the 33 Christian Patriots had to endure in the "SEDITION Case" of 1942 because they were accused of anti-semitism, **then be proud of being also called antisemites. This term applied to you is evidence that you are working loyally and faithfully in the service of your Christian Faith and Country.**

is to keep the people in turmoil until the money gang is ready to throw them into another world war. That's why Eisenhower was sent to Europe and MacArthur fired after he had the enemy licked in Korea. Eisenhower is an instrument, like Roosevelt and Truman, in the Rockefeller-Rothschild-Zionist-protocol plan for world destruction, in order to defeat God's plan of economic correction.

God's plan of economic correction.
Eisenhower was picked by the money gang as the next Republican candidate for President, in the Fall of 1949. His sponsor with the money gang is Thomas J. Watson, head of the International Business Machine Corporation, a world organization. Watson is trustee of Columbia University and which Eisenhower is President. Stassen was pushed behind Ike and he is now serving as stooge to hold Republican delegates for Eisenhower. The money gang candidate on the democratic side.

Kefauver is another money gang candidate on the democratic side. Taft declared that corruption was the issue, so Kefauver was trotted out to oppose Taft. Corruption is only a subordinate issue in the next election. The main issue will be the United Nations program for world domination by the Few and world destruction for the many. MacArthur interfered with that program when he tried to enforce peace in Korea, so he had to be bounced. Korea is the first stage of the world war and is a sample of what may happen to all of us if the world holocaust is not prevented.

The "paganda and publicity build up for Eisenhower, is the most extensive undertaken for a candidate. The Roosevelt build up began in 1931 and culminated in his first election in 1932. Eisenhower's build up began in 1949 and will culminate in failure in 1952. The same interests behind Roosevelt and Truman are behind Eisenhower--Jewish and Christian financiers run by professional politicians and professional labor leaders.

labor leaders. Watson was head of the so-called National Conference of Christians and Jews, financed by Jewish financiers. He was honored by Hitler who was financed by Jewish and Christian financiers in England, Holland and the United States to the tune of one hundred million dollars. This same gang financed Roosevelt, Truman, Wilkie and Dewey and they will finance Warren of California, if he is nominated. Truman served this group when he was head of the Truman Committee in the Senate, during World War II. No prosecution resulted from disclosures by that committee.

BACK AND THUMB SCREW GOVERNMENT

In the middle-ages, persons who offended church or state, were tortured on the rack or violently squeezed on the thumb. That is the punishment, figuratively speaking, that has been noted out to us since 1933 by the money crowd that controlled Roosevelt and control Truman. Our pockets have been stretched by the ruthless hand of the tax collector and we have been squeezed by betrayal and corruption in government. The money crowd, Roosevelt, and the money crowd rules the world. The United States is a money machine.

and we have been squeezed by betrayal and corruption in government. The Rothschild-Rockefeller combination rules the world. The United Nations is their instrument. They control all large fortunes that are being used against the people. Elected and inherited rulers are their puppets. The people are crushed with taxes and every large city is being forced into insolvency by artificial inflation and wasteful and corrupt government.

After ancient Rome was plundered to its financial death, the spirit of giving seized those in commercial control. They gave back to the government a large part of what they had stolen. In Europe, a few hundred years ago, hundreds of so-called charitable foundations were confiscated. We have hundreds of such foundation in the United States holding billions of dollars and tax exempt as to income. The private fortunes by law or

To save America, we must limit excessive private fortunes by law or confiscate the funds in the richest foundations for immediate correction. We should heed the warning of Oliver Goldsmith in the "Deserted Village" where he said "Ill fares the land, to hastening ills a prey; where wealth accumulates and men decay." Political morality is at its lowest ebb in the United States.

Are you deliberately giving aid and comfort to the real terrorists and persecutors of those who seek only to do what is needed to survive?

MACARTHUR CAN SAVE US
By Henry H. Klein

The money gang is determined to wipe out a large part of the human race. They intend to extend the Korean war to other parts of the world. The money gang must have war in order to continue to profit. The fact that city, state and federal governments are deeply in debt, means nothing to them. The people must pay.

This condition will continue until someone arises to change it. Moses changed it in his day and Jesus tried to change it in His. Unless it is changed, civilization will decline and anarchy and revolution will follow.

There is one person who can apply the remedy. That person is Douglas MacArthur. He applied it in Japan and he can apply it in the United States. He limited excessive private fortunes in Japan and restored a balance to society there.

In the United States, the Rockefellers, Duponts and a few other families control all monopoly, and they control governments as well. MacArthur as President, would limit their excessive private fortunes by law and restore a balance to society in this country. Limiting incomes is no cure. Excessive wealth-power, exerted to wrong ends, is destroying civilization.

The United Nations is the money gang's agency for world conquest. It is the Protocols in action.

ROCKEFELLER - ROTHSCHILD WORLD GOVERNMENT
By Henry H. Klein
(Copyright 1951 by Henry H. Klein)

The United Nations belongs to them. The Rothschilds "came back" with American aid, after Hitler was put out of business. They now own a large interest in the Rockefeller- Chase National Bank.

Truman and Churchill are their agents as are virtually all others in political, governmental and industrial control. That's why the next Presidential election is so vital. Only Douglas MacArthur seems to be free to serve the people. The money crowd will spend many millions to keep him out of power.

The Rothschild-Rockefeller combination tried to rule the world through the League of Nations, after the first World War. Frankfurter, Brandeis, Brandeis, Brandeis and others were their agents. Though the League failed, their rulership held and they drove the people into a second world war. They now aim at final destruction.

All this, in order to prevent the people from learning the truth of God's law that when wealth becomes congested in any nation as it always must in a given period of time, it must be redistributed by limiting what the few can have, in order to save the state of society.

That law is burnt into our liberty bell (Leviticus 23). It is the law of Hammurabi (3000 B.C.); of Moses (1400 B.C.); of Lycurgus (900 B.C.); of Solon (500 B.C.); and of Licinius (367 B.C.). Jesus fought for that law and was wiped out.

Destruction has been planned many years. It is set forth in the Protocols of the so-called Learned Elders of Zion, written more than fifty years ago. In the United States, the program was to moronize the people so that they could not understand what was happening. All agencies were used to that end--newspapers, magazines, movies, radios, television, education and organized religion.

We are now ready for slaughter. All preparations are toward that end. The people must try to save themselves. All we can do is try to elect MacArthur President. He knows what has happened and what to do. Elect MacArthur and save ourselves.

By Henry H. Klein *might have been*
(Copyright 1952 by Henry H. Klein)

Police Lieutenant Charles Becker is the only person who died in the electric chair in this state, innocent of the crime of which he was convicted" said John F. McIntyre who defended Becker in his first trial, to the writer, a few years after Becker's electrocution in Sing Sing prison on July 30, 1915. Becker had been twice convicted of the murder of Herman Rosenthal, a gambler, on July 16, 1912. The court of Appeals sustained the second conviction though it sharply reversed the first.

In no trial in New York State, was there more perjury than in both Becker trials. That perjury saved the lives of four vile gamblers and "Big Tim" Sullivan, a powerful politician and made District Attorney Charles S. Whitman, governor. Whitman died discredited.

There is no fouler blot on Justice in N.Y. State than the conviction and execution of Becker who had no more to do with the murder of Rosenthal than did the district attorney who prosecuted him; than the judges who presided at his two trials; than any member of the two so-called blue ribbon juries that convicted him or than any member of the grand jury that indicted him for murder.

Before he was led to the electric chair, Becker said "God, in permitting me to die, must have some wise design. I must be dying for some purpose of God. I don't know what that purpose is, but it is sufficient for me that the Almighty knows. No doubt, my death is for the good of humanity."

I began exposing the framing of Becker publicly, in 1921, when I published eight articles in the N.Y. American, on the perjury in the Becker case, after Police Commissioner Enright brought three boys to me who were to be perjured witnesses in the second trial, to take the place of two perjurers in the first trial, who were branded by the Court of Appeals. In 1927, I published a 432 page book entitled "Sacrificed- the story of Police Lieutenant Charles Becker." It contains the only complete story of that case, including all the vital testimony in both trials. In that book I charge Harry Vallon (Vallinsky) with the murder of Rosenthal. In 1939, I published a 24 page magazine, containing 18 affidavits that I gathered in 20 years, to substantiate my charge that Becker was framed. The title of that magazine is "Police Lieutenant Charles Becker framed for the murder of Herman Rosenthal-Here is the proof."

No one has answered anything I have written on that case since 1921, though most of the actors in that tragedy were alive until recent years. Whitman died a few years ago. The four gamblers, Jack Rose, Bridgie Webber, Harry Vallon and Sam Scheppe, all received immunity agreements from the district attorney and none of them was indicted. They all know that Vallon shot and killed Rosenthal with Whitey Lewis' gun, while drunk and that neither Becker nor any of the four so-called gunmen who died in the electric chair, had anything to do with the murder.

I was specially retained by the N.Y. American in 1912, on the Rosenthal murder story. I knew Rosenthal whose guest I was at Jack Sullivan's wedding at the Cafe Boulevard, in 1910. I knew Becker and Bridgie Webber who was Rosenthal's bitter rival and deadly enemy. That rivalry and enmity led to the killing of Rosenthal. Webber supplied the so-called gunmen with weapons when they left his gambling house at the northwest corner of 42nd Street and 6th Avenue, to go to the Metropole, after he (Webber) gave the signal that Rosenthal was there. The boys thought they were on a kidnapping job because of a gamblers' row. I had been a police reporter in earlier years and I knew every important official in the police department. I directed the crusade against vice and gambling for Acting Mayor John Purroy Mitchel in 1910 and I consulted with District Attorney Whitman every night during the first six months of his district attorneyship in 1910. I was also chief investigator for the Citizens Committee organized at the Cooper Union mass meeting on August 14, 1912, after the Rosenthal murder.

Becker was twice convicted on the theory that he ordered the gamblers to hire gunmen to murder Rosenthal. In other words, Becker was a murderer twice removed from the crime. The gamblers swore that Becker urged them for weeks to have the job done under threat that he would frame them if they did not do it. Before the murder, Becker had raided Rosenthal's gambling house on West 43rd Street and Rosenthal made affidavit to the N.Y. World on July 14th, that Becker had loaned him \$1500 to equip his place. Webber also had a gambling house on the same block, that was not raided. At the time Rosenthal was murdered, Becker was trying to have him indicted for criminal libel.

Rosenthal had an appointment with Whitman for 8:30 on the morning he

145-14101-14

145-14101-14

was shot at 1:50 A.M. The four gamblers and others had been subpoenaed and they were expected to corroborate Rosenthal about paying protection money and collecting for Becker. The gamblers were scared to death and so was "Big Tim" Sullivan who consented to the kidnapping. Rosenthal was one of his best district captains. Big Tim had loaned Rosenthal \$12,000 to start the gambling house. His name was not mentioned in either trial.

The problem for the gamblers after the shooting was how to save themselves. Rose, for several days, said Becker knew nothing about the murder. It was not until after Max D. Steuer, "Big Tim's" lawyer, conferred with Webber in the latter's call at police headquarters at 7 in the morning, the Monday after the murder, that Rose changed his story about Becker. He and Webber scussed Becker, after which they were put together in the Tombs prison along with Vallon to further concoct their story. Schoppa was put with them later.

Becker was tried before the gunmen, in October, 1912. If the gunmen had been tried first and it was shown that Vallon fired the fatal shots, neither Becker nor the gunmen could have been convicted. The theory that Becker ordered the gamblers to hire gunmen to murder Rosenthal, would have been exploded. The alleged Harlem Conference at which this order was alleged to have been given, would also have been exploded in advance, as it was after the first conviction, when the Court of Appeals branded it as legal fiction.

I tried many years to get the Court of Appeals to withdraw its affirmation of Becker's second conviction. I wrote Chief Judge Crane who declined to act. Whitman was still alive. I recently wrote Chief Judge Loughran and am still waiting for his answer. Ex-Governor Sulzer wrote in 1927, that he knew Becker was innocent and that he intended to pardon him if the Court of Appeals did not reverse his first conviction. Sulzer was impeached in 1913, before the reversal.

On the day before he died, Becker sent a letter to Governor Whitman which concluded as follows:

"I am as innocent as you of having murdered Herman Rosenthal, or of having counselled, procured, or aided his murder, or having any knowledge of that dreadful crime. Mark well sir, these words of mine. When your power passes, then the truth of Rosenthal's murder will become known. But not while your nominees remain district attorneys and can hold the club over these persons. With the aid of judges who were misled into misconceiving the testimony offered on my trial and into misstating it both to the jury and on appeal, you have proved yourself able to destroy my life. But believe me, I will surrender it without remorse. Not all the judges in this state, nor the Governor of this state, nor all of them combined, can destroy permanently the character of an innocent man."

In his dying declaration, Becker said:

"I stand before you in my full senses knowing that no power on earth can save me from the grave that is to receive me. In the face of that, in the teeth of those who condemn me, and in the presence of my God and your God, I proclaim my absolute innocence of the foul crime for which I must die. You are now about to witness my destruction by the state which is organized to protect the lives of the innocent. May Almighty God pardon everyone who has contributed in any degree to my untimely death. And now, on the brink of my grave, I declare to the world, that I am proud to have been the husband of the purest and noblest woman that ever lived, Helen Becker. This acknowledgment is the only legacy I can leave her. I bid you all good bye. Father, I am ready to go. Amen."

Mrs. Becker had a plate placed on Becker's coffin which read "Murdered by Governor Whitman, July 30, 1915."

THE COMMUNISTIC WAY

Hell On Earth

The Criminal Conspiracy behind the 16th Amendment and the Federal Income Tax Law:

1. To ARM Russia, whose masters control England, all Europe, now China, if not the U. S. A. -with their agents right in our State Department howling for money to "stop communism in the East" after betraying China to the communists, who want us to build up a strong regime there for them;
2. To continue to subsidize their British Labor Government;
3. To Develop their properties - build factories and railroads

around the globe; to build finer schools and housing;
4. To rehabilitate the people in their crime, to build strong communist regimes—contrary to the will of the people—they see no hopes of throwing off their yoke—ask any one of our taxpayers, pauperizing and communizing our own people to enslave us in a like manner.

Throw your full support behind these efforts to defeat these CRIMINAL conspiracies—to get these "pick-pockets" out of our pocket books and remove the POWER TO CONFISCATE your property from the hands of corrupt, double-talking dupes in high places, (strip them of the means to enslave you), and drive them to the wall where they belong. Thus, end this threat of war—this sordid chapter in our history, and usher in "peace and prosperity for all."

This is everybody's job: and Georgia's opportunity to capture the honor of freeing the nation.

Your co-operation in circulating this pamphlet will be appreciated as we must win the co-operation of other States.

**MRS.
JESSIE W.
JENKINS**

**Candidate For
GOVERNOR OF
GEORGIA**

Two of the most vital issues confronting us today are; 1. Confiscatory taxation--to reduce us to a state of helpless impotence, as in Russia, England etc.;
2. Communism in our schools and colleges - to bolshevize our youth

INCOME TAX BAN IS FIRST 'PLANK' OF MRS. JENKINS

(Reprint from the Atlanta Journal and the Atlanta Constitution of March 21, 1950.)

Mrs. Jessie W. Jenkins, one of the two women who have announced their candidacy for governor of Georgia, issued the following statement Friday:

"I propose to abolish the Sixteenth Amendment and the Federal Income Tax Law in the manner provided by the United States Constitution. I also propose to abolish the State Income Tax Law. The Sixteenth Amendment and the Federal Income Tax Law especially are being used to pauperize and communize the United States and to spread Communism all over the world. The Georgia Income Tax Law is also Communistic and Socialistic. All three of these laws are antagonistic to the Bill of Rights in the U. S. Constitution and to the principles of the Declaration of Independence. If they are not abolished, this country will be reduced to the same depths of poverty and slavery which England has reached under its present Socialized Government.

"I am unalterably opposed to any kind of tax or procedure which violates the principles of the Declaration of Independence or any of the provisions of the Georgia and Federal Constitutions. I am likewise unalterably opposed to the confiscation, tyranny, and persecution being practiced under such laws and procedures in violation of said Constitutions.

"For three years I have fought vigorously to eliminate from our schools and colleges the Communistic propaganda which has been presented under the false guise of education. If the authorities in charge of our schools fail to make a sweeping investigation of the criminal Communist conspiracy in our schools, I propose to demand a state and federal Grand Jury investigation. Inasmuch as one's judgement is circumscribed by his knowledge, I propose to insist that the said Grand Jury investigation be conducted by true Georgians and Americans who have prepared themselves for this particular task."

—and, in our churches, to confuse the good-in-heart, under the false cry of "politics"—a situation which also warrants grand jury investigation of the forces behind all church literature, programs, and religious books.

Both of these issues are too "hot" for the "politicians," thinking only of their "jobs," or, political futures.

Every individual, every church, every club, or other group, and every paper which has the interests of the state at heart, are urged to decide whether they want to continue to support political figures and chicanery, or, to work for, and blaze a new trail for our times, an honest government, to lay the cornerstone for the greatest state in the union—to spark an America Re-born in freedom, with liberty and "justice for all."

Gather your children around you, look into their trusting faces and make your decision.

Every paper is urged to give their subscribers a fair presentation of these objectives, since I have been fighting this battle for years and have no money for "advertising." And, thanks to our corrupt dictatorship, will not have the time to get around and deliver my messages to all the people I am trying to serve.

We can win these goals if you will stand by me, work, and pray with me; and, be assured, that I will continue to pour in my last dime and to give the last ounce of my strength until this victory is won.

The day is coming when we will all have to account before Heaven for the manner in which we discharge our responsibilities—for posterity—for the perpetuation of Christian constitutional government, and, the security of our homes.

The lives of our heroes of the past all remind us we, too, can leave our footprints on the sands of time.

NO bouquets are solicited, but your co-operation and support will be appreciated, in behalf, and in the interest of all—for a greater Georgia toward a greater America always.

As both Jefferson and Thoreau pointed out long ago, voting is only a feeble gesture at best; and against ruthless men who have control of the machinery of government, voting means nothing unless the voters will use whatever force may be necessary to make their wishes respected.

Today, as it has always been in a time of moral crisis when great nations are going to pieces, the most dangerous foes of law and order are not the ruthless gangsters who seize power, nor the contemptible traitors like Hiss, who sell their own people for a bowl of tripe; they are the millions of cowards who try to hide under the bed; the people who let gangsters think it will be easy to take over; the timid souls who cry, "Peace! Peace!" when there can be no peace. Every person has a duty to uphold justice and order; and justice runs first.

Hitler's Generals Plan

Prussian Style Dictatorship For U. S. A.

Complacent people who are satisfied to have the forgetful and aged General Marshall as the head of everything they may provide for defense of the Nation, including the lives of their boys—perhaps even their girls; might be a little less complacent if they could read, and understand a document inserted in the Congressional Record for April 3, 1951, by Representative Thomas H. Wender, Bakersfield, California. The report, with replies, including questions, answers, and other comment, fills twenty pages of the Record; and, as much of the most interesting parts are already in outline form, it cannot be condensed without losing something important.

The most interesting item tells of a history, a speculation, and a plan, written by groups of high-ranking German generals while they were held as prisoners of war from 1945 to 1947. In summary, it was a report on Hitler's top command; as it was, (why it failed); as it should have been, (to win); and as it should be, (applied to the United States).

The plan, for use in America, was written in 1918, by General Heinz Guderian, who was Hitler's Chief of Staff from 1912. That makes it interesting. But the fact that it was prepared at the request of the top brass at the Pentagon, makes it more interesting. The fact that it was kept secret from all but the inner circle at the Pentagon, and that General George C. Marshall was, apparently, all-out in favor of it, makes it important. Now, General Marshall being in a position where he can issue orders to every person in the armed forces of the United

States; perhaps mentally infirm, and evidently dominated by a Jewess long suspected of being connected with Communist fronts, makes a situation that is both serious and urgent. Somebody with access to the center of intrigue, must have thought it serious enough to justify stretching his, or her, neck out as far, or farther, than Tyler Kent stretched his, when he tried to warn Congress of the undercover plotting of Roosevelt and Churchill.

Mr. Werdel, in response to questioning, refused to identify the people who gave him information, and his words merit quotation: "... until I believe this Congress is ready to give such men the Congressional Medal of Honor, I am not going to be identifying." To which ye printer will add, any white man who will not endorse that sentiment, is a wretch centered all in self, and should never be trusted even to carry out the ashes.

The plan, of course, was just for universal military service, with a Chief of Staff whose orders must be obeyed without question. Universal service meaning that every person, and all property, shall be at the disposal of the Armed Forces at any time as directed by the Chief of Staff. Naturally, the Armed Forces would become a self-perpetuating hierarchy, and its will the only law: In short, back to absolute monarchy. The world had it for ages; but the world has never had peace.

Both General Guderian and his predecessor, General Halder, pointed out how they failed, because Hitler would not allow them complete authority to reorganize the total economy in support of the Army. Halder, in the same way, blamed the Kaiser for the defeat of Germany in 1914. Apparently, neither of them was intelligent enough to learn

the lessons of history: That power always corrupts, and by corrupting destroys itself. The best prepared nation has lost every major war that history has recorded in any considerable detail. Wars are finally won by the people who allow the most freedom for individual initiative and inventive skill.

Mr. Werdel, commenting on the plan for Army control of news distribution, citing a quotation from War I German General Ludendorff about the Army "political consciousness," pointed out how the Armed Forces are already devoting a large part of their time to political courses evidently designed to influence the way men think, instead of training them in the best way to fight.

Here ye printer will again add that Marshall's avidity for drafting teen-age boys, is based on a desire to get them at the stage of reckless sophistication where it is easy to make them believe all of daddy's notions are just old fogie.

It seems clear that any form of peace-time conscription will inevitably make the head of the Armed Forces an absolute dictator. But the little city people are convinced they can't have jobs at high wages unless they have war; or the threat of it. So there is small chance that Congress will have courage to resist the plot to set up a Prussian style Welfare State with, perhaps for a time, a pretense that an elected President and Congress are holding power over the Chief of Staff. But nobody will be fooled; and elections will soon—come to think of it; do elections mean much of anything NOW?

The time has come, as Ben Franklin foresaw it, when Americans will be ruled by a despot, because they have become too corrupt to govern themselves: Meaning they have lost the old concept of

PROCEEDINGS AND DEBATES OF THE 82^d CONGRESS, FIRST SESSION

Removal of Crosses in Honolulu Cemetery

EXTENSION OF REMARKS

HON. WILLIAM LANGER

OF NORTH DAKOTA

IN THE SENATE OF THE UNITED STATES

Monday, October 1, 1951

Mr. LANGER. Mr. President, I ask unanimous consent to have printed in the Appendix of the Record two telegrams protesting the removal of the crosses marking the graves of veterans buried in the National Memorial Cemetery at Honolulu. The first is from Brig. Gen. Henry Darlington, chaplain, Reserve headquarters of the New York National Guard. The second is from Rev. Lawrence Reilly, executive secretary of the Christian Anti-Defamation League, Inc., of Detroit, Mich.

There being no objection, the telegrams were ordered to be printed in the Record, as follows:

NEW YORK, September 29, 1951.

HON. WILLIAM LANGER:

Consider it imperative that all Christian people voice their outrage at the removal of the cross of Christ from the graves of our Christian dead buried on the hill of sacrifice, Hawaii's National Memorial Cemetery, overlooking Honolulu. This action savors of an atheistic Soviet Russian attack against our Christian belief. Please protest to Congress,

to all Christians, and in every way possible to have this sort of thing stopped before similar action is taken in all cemeteries.

HENRY DARLINGTON,

Chaplain, Brigadier General Reserve
Headquarters, New York National
Guard.

DETROIT, MICH., September 29, 1951.

Senator WILLIAM LANGER,

Senate Office Building,

Washington, D. C.

We consider it important all Christians voice outrage at removal of the cross of Christ from graves of our Christian dead. It is our sincere belief that our soldier dead are entitled to have the symbol which they loved and for which they died to mark their resting place. Thank God we live in a country that can still combat the atheistic principles of Soviet Russia, whose fellow travelers have inspired this dastardly action. Isn't it paradoxical that while building a temple for the four chaplains that we permit Anna M. Rosenberg to remove the symbol of Christ? If we permit this, we are taking away from the sorrowing mothers the thought that their sons no longer lie buried under the symbol of the cross. It is tragic to needlessly waste the lives of the flower of our youth in Korea, without going further and desecrating the cross. We urge your help in stopping this anti-Christian, bigoted, and intolerant action.

Rev. LAWRENCE REILLY,

Executive Secretary, The Christian
Anti-Defamation League, P. O. Box
1116, Detroit 31, Michigan.

FRIENDS OF FREEDOM

WHEREVER THERE BEATS AN AMERICAN HEART. TRUE AND BRAVE.
YOU ARE A CHARTER MEMBER FROM THE CRADLE TO THE GRAVE.

Here is the Plan in Brief:

I furnish copyrighted letterheads and circulars and coordinate the efforts being made throughout the States so that what one is doing helps the others. I furnish the copyrighted Rainbow Receipt Book and accept gifts of money in appreciation of results already accomplished. I have no agents or representatives, all who work with me do so as friends who exercise their right of free speech, telling their friends of this plan to "Draft MacArthur". I sign all receipts and take full responsibility for collecting all the money.

I will furnish letterheads to only one State man, and one man in every County. Of my free will I divide gifts of money 50% to the County, 12½% to the State and I use the remaining 37½% as I see fit. County and State men use their share to pay expenses and for Prize Money, and must not state that any sum is set aside as prize money until they have it in the bank for that purpose. County men start competition for Prize Money at Precinct level and judge the winners for their County. Only winners of County Competitions are allowed in the State competition. Under this plan every group starting at Precinct level will have a fair chance to win the big national pot to be announced after County and State competition have taken place.

The object of it all is to start the whole nation singing favorite MacArthur's songs under his banner, and create such a demonstration that the political leaders will fall in line or fall out all together.

When a gag has been placed on so many loyal Americans because they serve their country in the defense forces. We, the People, must insist that aliens and foreign agents keep their purse closed and their mouths shut. It is against the law for any one of these to wear an "I Like Ike" button or to even make a slight remark.

The Justice Court is the Peoples Court because it more closely reflects the opinions and customs in every community. The Justice Court has Marshal Authority to hold over any person accused of any violation of law. Whenever you over hear one of these People talking, be he friend or foe, give out a complaint against him in your Justice Court, and the person can be expelled from the Precinct whether or not the Federal Authority take action, as he is entitled to no protection under our Bill of Rights and the Papers that he may or may not have from the Federal Government does not include the freedom of expressing political opinion.

Truman has the Public Till, Eisenhower the International, and you have the business backing him. MacArthur has a vast majority of loyal Americans who seek no special privilege. When are you going to make a move? There is no political Santa Claus to put MacArthur in the White House for you, and it is up to you to kick in a dollar or two to get him off his Record and not on a partisan platform.

Under the conditions stated above Americans can put my name in connection with the slogan, "Draft MacArthur".

SPECIAL REPORT ON SELMA CONVENTION

By Hon. J. Lee W. Jenkins

It is a sad thing to find the nation's best men and women, who have put their names on a paper to save the Union, who are trying to win unless we make up our minds to unite NOW and to make the nation become a political party.

It is a sad thing to find the nation's best men and women, who have put their names on a paper to save the Union, who are trying to win unless we make up our minds to unite NOW and to make the nation become a political party.

Altho I warned its leaders they gave some promise of getting results, so worked like a Trojan, hoping that if we could swing Georgia we could keep Truman and his wrecking crew out of the White House and prevent another war, I felt he was sure to create to please his masters, and to keep his job to no avail.

But we cannot afford to miss the next boat as this is our last chance to recapture our government and all our institutions. Since we have almost reached the saturation point in INDOCTRINATION now—a prerequisite to subjugation beginning with the "false prophets" of old.

What I witnessed in Selma, Ala., recently—despite all its lofty intentions—convinces me that it will be fatal to trust our destiny to a move that starts off loaded with dead wood.

If you want to save your country, YOUR BUSINESS, YOUR HOME—to keep out of slave labor camps—the best investment you can make is to devote a little of your time and some financial support toward the establishment of a virile, national organization, to sift out the desperately needed leadership and get them to Washington.

There is no better place in the country than Selma, Ala., to stage such a Convention, and I will assure you that it will PRODUCE that it will give us a LIBERTY PARTY to supplant the slave state, "foreign" born democratic party, which piously chirps "equality" while usurping all power in the hands of a few to tell the rest of us what we can or can not do—and as it is in the perfect "democracy"—Russia.

This is not to disparage the undoubted sincerity of citizens who

are trying to do something in this crisis, for the Lord knows we need all hands, and we are screaming over our indifference to all the corruptions in high places.

And I do want to add that the Dallas County Fair, Bureau which at the time was a good job of preparing a feast of barbecue, cold cuts and pickles with free cokes—I wish the ladies are due a full measure of credit for the superb program in which they served the very best.

But this little diatribe aims at pointing out the fault—before it is too late—of leaning on the other fellow when there is a job for every one of us, in this matter of self-defense, from which NO MAN IS EXEMPT.

Regardless of the whoop-de-do that may be created for it, the Selma Convention may best be described as a small town party—by small town men, mostly well past the age of the needed virility—indifferent to outside suggestions on the national level—still living in the past.

This is not to their discredit so much as it is younger leaders who have, up to now, ignored their own responsibility but rather to show that they are on the wrong track, and apparently afraid to assume a forthright role, perhaps motivated more by indignation over Truman's usurpation of the old machine and the prestige they formerly shared.

The more pertinent point is that they are definitely not yet ready to concede that the old party to which our fathers innocently clung is a thing of the past—a beautiful dream that has run its historic course and turned into a horrible nightmare.

They were justified in their aversion to the Republican Party which fostered the devastating Civil War, whose sponsors tried to amalgamate the white Christian community with the "black" African barbarians—banished to the jungles by God's own priest, Father Noah, who was moved to pronounce the curse against Ham's posterity, as children of corruption—NOT of the ORATION IN HIS OWN IMAGE (as His children) which we are commanded to keep inviolate, remembering that God Himself is the author of segregation.

We revere our fathers, they had the courage to die for men to preserve the principles by which they lived, and not because of their adherence to any political party. And certainly they never knew that both of these parties were sponsored by the same "foreign" clique, whose designs have now crystallized in what is called our bipartisan policy, but is actually the One-Party rule.

Naturally, old time life hard to break, but since the facts of history have unmasked the "democratic" party as the racket by which all the great empires of the past have been subverted and overthrown, after the pattern of Persia, as recorded in Esther, those who refuse to listen to either reason or logic, can hardly be expected to die to find stature the exigencies of our time requires.

Since God has sought to establish good government for His creature on this earth, the breaking of His law, we challenge all our thinking Christians and patriots to heed this election call to duty NOW—time is short.

Defied down, after making with most of the leaders of the Union party, my impression and I think they are smart with the "new" and the "improvements" of the "new" saved—promising us that the promise of the past seems to follow on this present, a time that have no more signs of "freedom" than did the original move—which built its house on democratic sand.

So much for the effectiveness of the propaganda with which we are all saturated to some extent—and which must give its sponsors, either on the side than, with a few exceptions, as they watch our growth, if not our cowardice.

While I considered Senator Byrd's speech a cheap political stunt, impersonating Jackson-Jefferson Democracy, they cheered and called it a fine speech.

Propaganda has doubtless blinded us to the fact that regardless of the patriotism, the socialist leanings of these two men have helped to perpetuate the present dilemma, and Senator Byrd could serve the cause of common sense and common sense.

It is the idea that we are a "democracy" especially since the Party has assumed the role of CONVERSION thru SUBVERSION.

What is also disquieting is the people assembled and with "correlating the Truman 'democracy' his administration, its socialist schemes, was that he has himself voted for most of these schemes, reputedly, NATO, UN, UNT—which can send us all to foreign slave

Paul Revere Rides Again

Jessie W. Jenkins,

"The situation here pictured, as a warning against further complacency is serious, in the extreme, and this move to establish new machinery to get the right leaders into all public offices is being undertaken in deadly earnestness.

There will be NO COMPROMISES with principles either inside or outside of those written into the Constitution and the Declaration of Independence, as based upon the Sermon on the Mount

We may be small fry, as measured by the usual political yardstick, but we are moving into the battle arena to WIN, because we are taking God along to guide us to victory—to expose to the world the slaughter, the rapine and unbelievable atrocities committed in the name of "Christianity," under the ensnaring cloak of "democracy."

It is not in any sense a sectional affair, and we therefore plead for every man, woman and youth in our land, who profess the name of Christ to join us NOW, regardless of your "clubs," which you can drop for a little while if not permanently when you come to know that everything that has an INTERNATIONAL TAG has been organized by the same crowd who sponsored and now control the so-called "democratic" party, and set their policies so that each "club" carries out some phase of the Socialistic-to-Communist program.

We also warn against the propaganda blockade, screening "politics" from most of our churches and schools, which you have been purposely shown the teaching political propaganda of the new Congress in 1947.

Your very lives, everything you treasure are at stake; we are now at the zero hour. We are only pleading with you to help us TO HELP YOU to preserve and perpetuate, for our posterity the unmatched heri-

to stand alongside us to lend their strength and counsel as we set out to restore LIBERTY in our "land of the free and the home of the brave"—giving the people the chance to vote LIBERTY.

It is our hope to get a resolution thru the General Assembly in Jan. and we urge our compatriots in other states to get busy immediately to the same end, calling upon the people of their respective states to literally bombard their representatives of both house for prompt and favorable action—even if necessary because of its extreme importance—to call a special session. We are sure the Governors of the several states are conscious of their duties toward the citizenry within their respective borders, and will co-operate. In fact we urge them to join us and actively support this move and for this reason, reprints of this publication will be sent to all leaders.

By giving the LIBERTY PARTY legal status, unnecessary mechanics are eliminated, and all public officials elected to office on the Democratic Party ballot are automatically protected until the next election.

However the policy of requiring certain officials whose services are of a dubious character to run again will be strictly imposed, so that position candidates may be run under the Liberty Party banner, to give the people a chance to determine the issues.

It is hoped to have the ground work well enough under way to mid-July to call a National Convention here in Columbus, and we urge our local citizenry to help us maintain the traditions of our city—and of course, that will mean financial support; but we believe it will pay in dividends that will enrich the entire nation, and bring us the blessings of our long suffering people in all sections.

Under the sponsorship of The National Patrie Henry Org., Inc. an interim steering committee has been appointed but other officers are needed—so contact them by a dressing the above, Box 985, Columbus, Georgia.

According to the Marxist sheet, New York Post, these negroes,

We can not shut our eyes to what happens in New York, because the seat of the conspiracy to bring "the new social order" in our country is in this city and state. Which is also the home of that International spy nest we call the U. N. We see clearly from this incident, precipitated by a Negro French citizen, who walls over the embarrassment to himself, and the U. N. delegates from India and other "Asiatic" countries.

The half white, half negro Walter White, who leads the fight for the NAACP, to break down our social barriers said in castigating Mr. Winchell who refused to go all out, after advising against this move: "This matter is bigger than Josephine Baker. It is a matter that concerns America itself. How can America preach 'democracy' to the world, and not be concerned with 'Democracy' in New York City, supposedly the most liberal city in the country?"—It certainly is the city of the social equalizers.

Perhaps it would be, with its alien population, doing its utmost to drag us down to the levels from which they fled, no wonder that city has an FEPC law.

But the point is that this is more of the fruit of the "democratic" PARTY, and has no constitutional basis whatever—which means we are face to face with the question of deciding between the PARTY and the Constitution. With the Walter Whites giving the orders as the Carpet Bagger bosses did in the Sixties under cover of the Union League, of which the NAACP is the successor.

When "the crisis" which we may expect in the near future is finally pulled off, the purpose will be to have the President declare "martial law" and armed gestapo may at any business house or home, as in the sixties, when armed negroes were sent to the homes of prominent white families to call on the young ladies. Knowing they would be kicked out, they did so to get an excuse to file charges and confiscate the property, which was the real goal. This too is another example of the "Higher Social Education under the cloaks of democracy," and don't forget that this is what you are being taxed to support under the M. F. E.
